

EAW has received approval for \$19,728.00 of grant reimbursement for member-driven actions in our union. These funds can be used for activities that increase member participation in the contract action team, support work around issues in our buildings, improve relationships with community members, and more. You can apply for **\$6/member** (e.g. \$324 for a 54-member school plan).

Either fill out this form and return it to the EAW office **OR** complete the online application at [tinyurl.com/eawallin](https://tinyurl.com/eawallin). A staff member and board member will reach out to discuss your grant application and see how the EAW can support your organizing efforts. Then you will have to proceed with your plan, save your receipts, and turn them in to the EAW for reimbursement. *(If fronting the money will not be possible for you, apply anyway, and we will work out a solution).*
