

PARENT-CHILD DISCUSSION

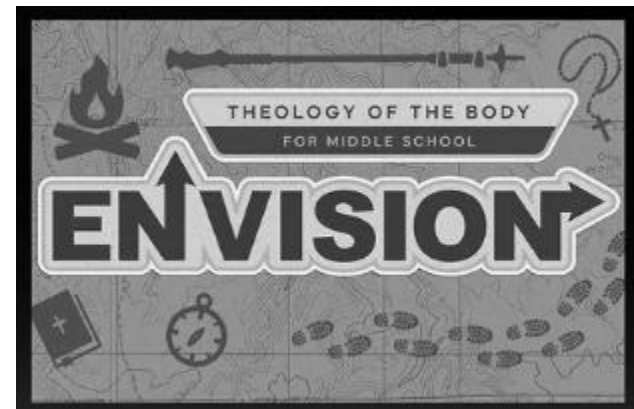

Parent/Guardian:

Discuss any or all of the following with your child and write one "take away" from your conversation.

1. Are you excited, scared or anxious about your future?
2. Which of your friends do you think you'll be friends with for life? Why? How do you try to be a good friend to your peers?
3. Go through pictures of your child's baptism and First Communion. Tell about your hopes and dreams you had then and that you have now for him or her. Share what your faith means to you.
