Spring CLEAN

Spring is the perfect time to refresh your hospitality spaces, ensuring a clean, welcoming environment for both staff and guests. From sparkling floors to hygienic surfaces, the right tools make all the difference. Our Spring Clean selection covers every corner of your operation, keeping your business safe, efficient, and guest-ready.

TOP 4 SPRING CLEANING TIPS FOR HOSPITALITY SPACES

Plan and staff strategically

Ensure your team is adequately staffed to handle deep cleaning without cutting corners. Account for different room sizes, dining areas, or shared spaces, and schedule tasks so no one is overwhelmed.

Maximise ventilation

Open windows, doors, and ventilation systems to circulate fresh air before, during, and after cleaning. This improves indoor air quality and helps remove lingering odours.

Inspect all equipment

Check appliances, kitchen tools, AV equipment, HVAC systems, or classroom tech. Make sure everything works safely and efficiently so guests, students, or staff don't experience interruptions.

Add finishing touches

Once spaces are clean, consider small touches: fresh linens, polished surfaces, or a pleasant scent. It improves the overall experience for guests, students, or patrons.
