½ tsp baking powder
4 eggs
1 tsp vanilla extract
60g finely chopped walnuts
Walnut halves, to decorate

ICING INGREDIENTS

National BBQ Week

TIPS Defrost for Better BBQ
Defrost meat before BBQ cooking for even heat and better juiciness. Frozen burgers or sausages risk burning outside before cooking through properly.

Upgrade Your Buns
Upgrade buns by toasting with flavoured butter or mayo. This adds flavour, improves texture, and stops bread rolls going soggy.

Elevate Corn Flavours
Make corn on the cob stand out with bold flavours like gochujang, miso, or garlic and thyme butter.

Grilled Pickled Twist
Grill pickled onions on skewers for a smoky-sweet twist. They pair well with burgers and sausages and add something different.

26TH - 31ST MAY 2026

March marks National Sauce Month, celebrating the essential role sauces play across foodservice - adding flavour, consistency, and versatility while helping kitchens control costs, reduce prep time, and refresh menus with ease.
