In the months ahead, Catholic Charities' Topeka operations will relocate to Let's Help's current facility, 245 SW MacVicar. This transition creates expanded opportunities to grow food assistance, housing support, workforce development, and education and other essential programs. We plan to carry forward Let's Help's clothing closet and hot meals services, ensuring both programs continue to provide the same spirit of care, dignity, and nourishment for our community. We're deeply grateful for your continued support and partnership, which makes this work possible. We look forward to continuing to serve the Topeka community alongside you and build on this shared mission in the years ahead. For the full press release, visit catholiccharitiesks.org

Sacred Heart Stained-Glass Window and Lighting Upgrade Project

We're happy to share exciting updates: Scottish Stained Glass (www.scottishstainedglass.com) has been selected for the Sacred Heart Church stained-glass project. The committee has also chosen Lightworks (www.lightworkskc.com) to provide lighting consultation for the lighting upgrade. Lightworks is the same team that helped guide the St. Joseph renovation. Finally, we selected Schmidlein Electric (www.schmidleinelectric.com) as the electrical contractor for the project. We invite you to visit their websites and review their past work. You can see why the committee felt each of these was a wonderful fit for our stained-glass window and lighting upgrade project.

While we don't have a final design or total cost to share just yet, the project is moving forward. As soon as cost details and design examples are available, we will share them. We thank you for your patience and continued support as we work on this exciting parish project.

Updated Financial Report

- 876 pledges mailed to all registered parishioners
- 192 pledges received to date (22% of those mailed)
- \$189,331 pledge dollars received
- \$207,486 misc. donations/memorials
- \$396,817 total funds currently in the bank
- \$1.5 million campaign goal

The Symbolism of Color and Light in Stained Glass

Stained-glass windows are not only beautiful; they also convey deep spiritual meaning. Throughout Christian history, color and light have been used to express essential truths of the faith.

- **Blue** often symbolizes heaven or paradise
- **Red** represents the blood of Christ
- **White** reflects purity and innocence
- **Black** can signify sin or death
- **Violet** symbolizes royalty
- **Green** represents growth and new life
- **Gray or silver** can suggest wisdom or knowledge
- **Purple and rainbow-colored glass** depict the glory of God

An equally important element of stained glass is the way light passes through it. Light shining through the windows is often understood as a symbol of God's divine presence—representing hope, truth, love, and life. Christ himself is called the "Light of the World," and stained glass allows that light to illuminate our sacred space visibly and prayerfully. (Source: smithstainedglass.com)

Project Vision

To install new stained-glass windows (glass, not zero-efficiency plastic) that inspire reverence and create a calm, prayerful environment—deepening our sense of faith and identity each time we enter the church, and to upgrade lighting and fixtures that bring light down closer to the congregation, complement the architectural style of the building, and create a greater sense of openness and light within the church.

Finally

If you've lost or misplaced your pledge card, please don't worry – we have extra pledge cards and mailing envelopes available at the entrances of the church. To save a stamp, simply fill out your pledge card, place it in the confidential envelope, and put it in the collection basket. Thank you again for being part of this project and for all you do to support Sacred Heart-St. Joseph Parish.

In your monthly envelope packets, there is an additional red-bordered envelope for the **Stained Glass Window and Lighting Upgrade Project**. There are also red-bordered envelopes in the pews. To keep an accurate record of donations and pledge payments for this special project, we ask that you make **separate checks** to the project and use the red envelopes whenever possible.

Bulletin announcement deadline is Tuesday 8 am. Half or full page request must be emailed in an editable format. Please send *all* announcements to Therese@SHStJCatholic.org (preferred) or Sacred Heart Rectory, 333 NE Freeman Ave, 66616. **Deadline for the May 24th bulletin is Friday, May 15th.**

Rekindle the love and joy, the hopes and dreams that you and your spouse cherished on your wedding day by attending the next **Worldwide Marriage Encounter Experience**.

HFCs NEWSLETTER

Holy Family Catholic School May 08, 2026 Issue #32

This week at our school has been full of excitement, leadership, and community spirit!

We began the week by celebrating two very special students, Kayslee and Corley, who were honored as “Principal for the Day” after winning this opportunity through our carnival bid baskets. They did a wonderful job stepping into leadership roles, helping Ms. Reynoso and representing our school with pride.

Our Mustangs also had an incredible start to Germanfest, raising an amazing \$10,054! We are proud to announce our top 12 disciples for this year’s Burgermeister sales. A special congratulations goes to Parker, our 2026 Burgermeister, who sold an outstanding \$4,747 in tickets. What a great example of dedication and stewardship!

To close out the week, our 8th graders were blessed with a visit from two OLG and Hayden High School alumni, Mr. Juan Sepulveda and Mrs. Cheryl Rios. They shared their experiences and encouraged our students as they prepare for the next chapter of their journey. We are grateful for their time and for the strong sense of community that continues to grow within our school family.

As always, we thank God for the many blessings He provides and for the opportunity to grow together in faith, knowledge, and service.
