Scam Alert - Be Careful with Phone Calls Through Gmail! A parishioner recently received a phone call through Gmail that appeared to be from another parishioner. The name and information made the call appear legitimate - but **it most definitely was NOT that person.**

Scammers are becoming increasingly skilled at making calls, messages, and emails appear to come from people you know and trust. **Don't assume that a familiar name means the person contacting you is actually who they claim to be.**

If something seems unusual or doesn't feel right, **stop and verify.** Hang up and contact the person directly using a phone number you already have - not a number provided during the suspicious call.

When in doubt, don't respond, don't share personal information, and always verify before you trust!

Please share this reminder with your family and friends, especially younger and older parishioners who may be more vulnerable to these types of scams.

Stay alert and stay safe!

Please complete the form below if you:

- * consider yourself a parishioner, but haven't returned a registration packet
- * grew up in the parish and still attend as an adult
- * are a visitor wanting to join the parish

Thank you!

GROWING IN VIRTUE: RESPONSIBILITY

Our Mustangs recently gathered with their faith families to reflect on this month's virtue: Responsibility. With the guidance and leadership of our wonderful middle school students, our Mustangs shared thoughtful ideas, encouraged one another, and explored what it means to live responsibly each day.

Students also brought their learning to life through fun and creative comic illustrations that demonstrated responsibility in action.

We are truly blessed to watch our students grow not only in knowledge, but also in faith, virtue, and love for Christ. What a joy it is to see them learning to live out these virtues in their daily lives!
