Interested in helping? Please contact Lisa Deghand, Lisa@SHStJCatholic.org.

- Mr. Rodriguez is sharing his love of music through Band, helping students develop their talents while learning the joy of working together.
- Mr. Ramberg is guiding students in Computer & Research Skills, equipping them with the tools they need to learn, discover, and use technology responsibly.
- Mr. Reed is teaching Lifetime Health, encouraging students to care for the bodies and minds God has entrusted to them.
- Mrs. Hinchsliff is inspiring curiosity through Next Level Science, inviting students to explore the wonders of God's creation.
- Sr. Juanita is introducing students to the beauty of the Spanish language and culture, helping them broaden their understanding of and connection with others.

We are grateful for the dedicated teachers who guide our students not only in academics, but also in developing their God-given talents and becoming compassionate, confident, and faith-filled young people.
