- \* To take Pointe; dancers must be 12 years or older, have 2 years minimum Ballet experience, instructor's permission, and currently take 2 Ballet classes per week at Nutmeg's (not including Pointe.)
- \* Unless you have express permission from Nutmeg; please only register your dancer for the classes they are the appropriate age for. Classes often fill quickly, so, to be fair, we must give priority to dancers of the proper age. Registering for the wrong level may cause delay, and dancers may lose spots in their age appropriate class. Thank you!
