

# Picture Day 2023

Hi, everyone!

Please see Picture Day Info below.

**\* Picture Day is totally optional!**

\* Picture Day(s) will be held on Saturday, May 6.

\* We will be taking photos at Nutmeg's.

\* Photos will be taken by our very own lovely & talented Haley Rome! Here is a link to some of the photos from last year; they were AMAZING! <https://tinyurl.com/y4ucbm8u>

\* We will be taking photos, and setting up time slots, by family.

\* If a dancer and their family would like them to have photos with a friend(s), they may decide to invite that person to their family time slot. We are of course happy to take sibling photos, too!

\* We ask everyone to please return their form, indicating the number of dancers in the family, as well as the number of dances/costumes each dancer will be taking photos for. This will help us determine the amount of time to allot to your family.

\* **All sign ups are due by April 25.** We will release the schedule a few days after we have received all sign ups.

\* The cost for picture day is \$40/dancer, \$65/2 siblings, with a max of \$80/family. This will include access to all photos Haley takes. **We are sorry - but there are no refunds once you have signed up.**

\* Please note that we need both your sign up form, and payment, to schedule and reserve your family time slot.

If you'd like to participate in picture day, please fill out the form below. You may leave it in the locked letterbox in the lobby, or, mail to:

*Meg Funk  
33 Granby Farms Rd  
Granby, CT 06035*

You're welcome to return cash or check with this form, or, send payment though **Venmo: HeyMeg\_Funk**
