

SPEAKING WITH TINA VALIANT

Understand People. *Change the Room.*

Tina Valiant speaks at the intersection of sales psychology, leadership, and human behavior — helping audiences understand not just what to do differently, but why people think, decide, and act the way they do.

G.R.E.A.T. event keynote presenter in 2024 and 2025

Women's Council of Realtors — "Finding Your Voice" event

Colorado Springs training in 2024

Northern Virginia keynote

Dozens of podcast interviews on business, life, and real estate

Signature Speaking Topics

Psychology of Sales & Business Growth

Understand why people think, trust, resist, and decide the way they do — and how to use that insight to improve sales and communication.

Leadership & Team Building

Help producers become leaders, build culture, and create systems that scale beyond themselves.

Resilience, Reinvention & Rising After Adversity

Rebuild after life or business disruption, lead through change, and rise with authenticity and purpose.
