**Make authentic connections with other women**  
**Refuel and refresh | Learn more about God**

Throughout Church history, men and women have spent their lives on mission, committed to spreading the gospel message. They were disciples who made disciples. What does that look like for the Catholic woman today? How do we practically follow in their footsteps, ensuring that the message of Jesus Christ continues to reach every nation and generation?

The Touching the Divine Bible study (22 lessons) focuses on qualities of Jesus revealed through the Gospel of John. This study draws us into a deeper, loving relationship with Jesus as we reflect on His life and personality. Saint John referred to himself as "the disciple whom Jesus loved," and as we study, John will teach us how much Jesus loves us and how His love is the true satisfaction of our souls. Even if you have previously done this study, please consider joining us. God still has much to teach us and the study has been revised!
