Do Something Beautiful for God!

Dear Promoters of Life,

“Whatsoever you do for the least of my brothers, that you do for me.”

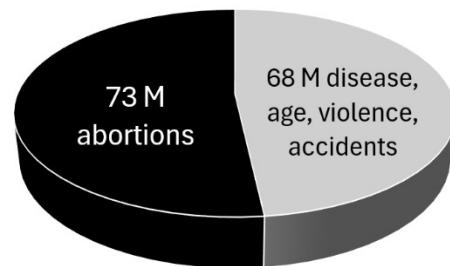

Matthew 25:40-45

Some things are unpopular, inconvenient, and invisible ... like the unborn. That's why these children are easy targets when the aim is to destabilize families for the desire to promote population control in our culture.

Let me explain, based on statistics from the World Health Organization in 2021, ~52% of all world-wide deaths are due to abortion (a staggering ~73,000,000 deaths).

Let's dedicate ourselves to giving the unborn the same rights we enjoy every day we awake.

2021 141 Million World-Wide Deaths

Please join/renew your Kalamazoo Right to Life (KRTL) membership today:

- Encourage women to **CHOOSE LIFE, THE OTHER CHOICE.**
- Educate parents and young adults about the realities of abortion and sanctity of life.
- Spread the good news about abortion alternatives and support services.
- Support pro-life laws and oppose pro-death, anti-family legislation.

Pope Leo XIV said it best on January 9th as he declared *“In light of this profound vision of life as a gift to be cherished, and of the family as its responsible guardian, we categorically reject any practice that denies or exploits the origin of life and its development.”* He denounced many world views as a deceptive forms of compassion and stressed that the right to life is *‘the indispensable foundation of every other human right.’*

Remember, we are all vulnerable at some stage of life, and Kalamazoo Right to Life supports life at every age. Please renew your membership and become an active volunteer by using the membership insert or using the QR codes below.
