Nostalgia Takes Over Downtown Owen Sound: 1980's and 90's Classics Make Their Way To Oblivion Avenue.

GEORGIAN BLUFFS, ON - The Cobble Beach Concours d'Elegance & Motoring Festival is pleased to announce a new addition to our line-up of events. Ready to go back to the 80s/90s? Join us on September 19th, 2026, as our friends from the OBLIVION 80s and 90s Car and Culture Show and Hagerty present OBLIVION AVENUE on 1st Ave West (in front of the Tom Thomson Art Gallery), a gnarly selection of curated gems from 1980-1990's!

For one day only, attendees will step into a time machine and expect to see everything from a pristine 1992 Mazda Miata MX-5, complete with its iconic pop-up headlights to a beautifully preserved 1991 Geo Tracker, capturing the peak of early 1990s beach culture!

"The cars of the 80's and 90's are now of collector age and represent a place in time that today's new generation of collectors and enthusiasts feel nostalgic for from growing up in the OBLIVION Era. We celebrate all of the cars and collectibles from this time, from commuters to exotics, as they have a special place in the hearts of this generation. We are looking forward to bringing a taste of what we do at our main events to OBLIVION AVENUE!" said Justin Sookraj, Founder of OBLIVION 80s and 90s Car and Culture Show.

Visit us in your own 80s and 90s threads, and enjoy the tunes, retro details and analog cars of the era that still bring so much joy; see you in OBLIVION!
