

TATTOO AFTERCARE & MEDICAL DISCLAIMER

Last Updated: 06/08/2026

Maximum Kare LLC products are designed to support healthy skin and tattoo aftercare routines.

However:

- Individual healing results vary.
- Results depend on skin type, tattoo placement, artist technique, aftercare practices, lifestyle, and environmental factors.
- Maximum Kare does not guarantee specific healing outcomes, color retention, or tattoo appearance.

The information provided on this website is for educational purposes only and is not medical advice.

Always consult a qualified healthcare professional regarding medical concerns, infections, allergic reactions, or skin conditions.

Discontinue use immediately if irritation occurs.

Our products are not intended to diagnose, treat, cure, or prevent any disease.
