

St Bonaventure's Pre-school Newsletter

Term 2 1st November – 17th December 2021

Term 2

I cannot believe we have come to the end of Term 2. It has gone by so quickly and we have had so much fun, especially doing our Christmas crafts and activities.

I also want to say a BIG thank you for our Christmas gifts, they were very much appreciated!!

Parents Meetings

Thank you so much everyone for joining with us for the Parent Meetings throughout this term with your children's Key Person. The practitioners have really enjoyed talking with you about the children and letting you know about how they have been getting on Pre-school.

Reminders

* Please can olives, grapes and cherry tomatoes be cut in half / quarters to limit risks of choking.

* Unfortunately, the colder months are here, we will however still be playing outside, going to Tennis and gardening as much as we can. Please can you make sure that your child has a warm named coat and sensible shoes to accommodate this.

* Please continue to check the lost property box and claim anything that may be yours.

**Term 3
begins on
Thursday 6th
January 2022**

30 hours

To keep your 30 hours free childcare place YOU need to check your details are up to date every 3 months. Go to www.gov.uk/childcareaccount to do this.

Please do return the EYR1 forms to us!

WOW Forms

We love to celebrate successes here at Pre-school. If your child does something that you would like to celebrate with us here at Pre-school, please do let us know and we can celebrate with a WOW form.

Christmas 2021

On Friday 10th December we had our fabulous party and singing show. The children had so much fun and did a wonderful job singing all the songs that we had been practising. I am in the process of getting the video together to send out to you.

You will be receiving some pictures from your children's Key People this week of all the fun things we have been getting up to this term.

More details to follow.

I am so pleased to introduce Edwina to the Pre-school team! Edwina started with us last week and will be working Wednesday, Thursdays and Fridays. Edwina has a wealth of child care experience, both working here and in Hong Kong. We are really pleased she has joined our team, and look forward to a future working together.

Researchers at the University of Bristol have developed a website called Germ Defence that is designed to help keep school pupils, staff, and their families safe from viruses like COVID-19.

The website which offers advice for everyone, whether they are at home or school, to keep safe from viruses including Coronavirus can be accessed below:

W: <http://schools.germdefence.org/index.html>

Wishing everyone a very Merry Christmas and let's hope for a healthy and safe New Year!!

Please note we are always available if you need to have a chat at any time.

Many Thanks
Marie and the team.
