

Books we're reading; – **We're going on an Easter Egg Hunt** – **Greg the Sausage Roll** egg-cellent Easter adventure – **The Sleepy Bunny**

Songs we're singing; **5 little bunnies** – **chick, chick, chick chicken** - **Little Peter Rabbit** -

Term 4 Planning

Focus – *Easter Week*

This week we are going to be having a really fun week doing lots of fun Easter activities. Some of these activities you may want to do together at home over the Easter holiday break.

Activity	How	Learning Intent
Easter Egg Hunt	In the Pre-school garden, the teachers will hide lots eggs around whilst the children are inside. The children will then have to find as many eggs as they can and drop them into the special bucket. When all the eggs are found they will then be shared out between all the children.	Identifying Colours – when all the eggs are found they are a perfect tool for practicing colour matching and names. Counting – counting out the eggs when the children find them, and sorting out the amount at the end of the hunt.

Songs we're singing; **5 little bunnies** – **chick, chick, chick chicken** - **Little Peter Rabbit** -

Activity	How	Learning Intent
Making Easter pictures	Adults can give children pictures of bunnies or eggs and children can cut around the stencil and then design and decorate with resources provided, for example, tissue paper and pom poms etc.	Children can independently access their own resources and use their imaginations to create their own designs, as well as explore different textures and materials.

Activity	How	Learning Intent
Making Easter biscuits	Following a recipe, children can help to count and measure out ingredients, and then work through the recipe, pouring and mixing.	Maths – there's plenty of maths activity involved in baking, from weighing and measuring, and counting out cake cases. Literacy – reading the recipe, following instructions, making lists for shopping.

Most importantly we are having fun together!!!!
