

NEMARLUK SCHOOL

SAFE RESPECTFUL LEARNERS WORKING TOGETHER TO ACHIEVE THEIR BEST

PRINCIPAL'S MESSAGE

**VIRG
HUGHES**

Dear Families and Staff,

Festive greetings to our school community, this is our last newsletter for 2023.

We have had a successful year; I am so proud of all students and their achievements, you will have received your child's report for 2023 showing the progress they have made this year. I appreciate the hard work of educators having students at the centre of what they do to foster well-being and learning throughout 2023.

I deeply value the essential partnerships with families, caregivers, and other stakeholders in our Nemarluk Community together we achieve positive outcomes for students.

A couple highlights this year:

- Choir performances: BEAT Festival, International Day of People with a Disability, Casuarina Square
- Red Bubble store for student artworks
<https://www.redbubble.com/people/nemgreenant/shop>
- Upper Primary performance- Escape from Mystery Island
- Sports Day
- Early Childhood Performance- My Country at Mindil
- Participating in the NT Learning Commission
- Wet n Wild water fun day
- New Early Childhood playground equipment

I would like to thank all of relief teachers, SESO's, support staff and volunteers. We could not do our work each day without you.

Thank you to our School Council for your commitment and support this year, I look forward to working with you again in 2024.

Farewells and goodbyes

Fiona Bosch, Andrew Edwards-Armstrong, Alison Fraser and Zoe Mathers. Thank you all for your work at Nemarluk School; you have all supported students and families throughout your time. On behalf of all students, families, and staff, I wish you all the best for your next adventures.

I would like to wish all the Year Six students graduating all the best as they transition to middle school in 2024. It brings me so much joy to see how far each of these young people have come, many of them have started with us in preschool- learning to be away from family, often with many tears at the beginning of preschool, then progressing into full-time school. Others have joined our school at different points in their education journey. Each of you have achieved so much throughout your years of Primary Schooling.

Thank you to the families who have worked with us to support these young people with their primary education.

Wishing all students, families and staff a safe and joyous festive season.

EARLY CHILDHOOD PLAYGROUND

Out with the old, in with the new!! We are excited to announce that our new, all inclusive Early Childhood playground is officially open. We have been fundraising over the last couple years to ensure that we could upgrade the Early Childhood area, and we are so stoked that it is finally complete

NTLC END OF YEAR PITCH

Nemarluk NTLC students attended the End of Year Pitch to the Minister at the Darwin Entertainment Centre. It was a fun day where we reflected on our learning in NTLC this year and collaborated with other NT schools to showcase our work to the Minister. We presented the t-shirts that we designed and discussed our ideas for school improvement.

SCHOOL SPORTS NT

Well done to Riak and Mia who went to Tasmania to represent the NT in athletics!! We are so proud of your achievements, and we hope you are too!! Both students did very well in their events. Keep up the great work super stars :)

SCHOOL ART

How gorgeous is our 2023 Whole School Art Project. Each student gets one square to express their art style, and this is how it ends up looking. It never fails to amaze us!!

NEW NEMARLUK UNIFORMS

This is our Christmas gift to you. We would like to show you all our new Nemarluk student uniform, modelled by some of our awesome pupils!!! As of 2024, these beauties will be available to purchase from the front office. We will be selling our current uniforms at a discounted price, as students still have the option to wear them, until they are eventually phased out. Thank you for an amazing 2023, we are looking forward to the New Year.

REMEMBRANCE DAY

MILLNER 1 AND 2 EXCURSION

Millner 1 & 2 attended the production of Waru Journey of the Small Turtle at the Darwin Entertainment Centre. We learnt about people and culture of Torres Strait as well as turtles, life cycles and protecting our environment from sea pollution. This was experienced through unique storytelling of music, songs, dance, props and lighting! Our children enjoyed moments of laughter and it was awe-inspiring.

Year 6 Graduates

PRINCIPAL MESSAGE

It is always sad to farewell the year six students as they complete their final year of primary education. Some of the students have been part of this school since preschool, and they have all grown in so many great ways, physically, emotionally and socially. Families and staff have been an integral part of this journey. We wish you all the very best as you transition to Middle School.

Redbubble is an online art design shop which Nemarluk will be using as a means of celebrating students achievements in the visual arts program and as a fundraising activity!

For the privacy of our families and students no artwork will have the students name attached to it. Instead, we will be sending individual artwork links to families of their child's artwork.
