

NEMARLUK SCHOOL

SAFE RESPECTFUL LEARNERS WORKING TOGETHER TO ACHIEVE THEIR BEST

PRINCIPAL'S MESSAGE

**JUDY
MORGAN**

Dear families

It has been an action packed 5 weeks on our return to school. Our students have been engaged in their learning with excursions to see Possum Magic and incursions- The Silly Scientists and the STEAM show (just to name a few) that provide engaging and novel ways to support learning. Staff have also engaged in professional learning to provide further skills and knowledge in planning and delivering differentiated learning in our Early Years classes. Campus Early Years Teachers participated in professional learning in Age Appropriate Pedagogies that support children's engagement in learning.

I'd like to extend a warm welcome to Monique Boyle who has joined the Stuart Park 1 Satellite Class as classroom teacher, as well as Caitlin Boulter who has completed her Undergraduate Teacher training and will take the role as classroom teacher for Millner 2 satellite class. I would also like to welcome Carrie Hammet (Early Childhood) and Bree Gower (Primary Years) to the campus Team Leadership roles. Welcoming new staff to our school and embracing new roles within our school is an essential ingredient to drive Nemarluk School's explicit improvement agenda for school improvement and student outcomes.

We also welcome Kelly, our Professional Support Dog to our staff. Kelly has made a significant impact in supporting our students' regulation and creating positive connections. She is a wonderful asset in the front office and is a member of the team in meeting and greeting our students, walking them to class as well as having scheduled classroom visits to be present for the students during learning time.

We had a fantastic Sports Day. It was wonderful to hear such positive feedback about the day from parents, community and staff. A big shout out to Anthony Long (PE Teacher) and all the staff that supported in the preparation and running of the day!

The school survey is currently live. We would appreciate your feedback to support our school directions and improvement journeys. And remember, you have to be in it to win it! A \$100 Coles voucher is up for grabs in a draw at the end of the term.

It was amazing to see our NT Learning Commission- student commissioners host a mid-way pitch with other NTLC groups in sharing their journey so far in school and student initiatives. The students also looked fantastic in there NTLC shirts that were presented at the whole school assembly in Week 2. Congratulations!

Finally, thank you to all for the support I received whilst acting in the Principal role. I am very proud of the commitment and dedication that each and everyone brings to our Nemarluk community and the shared vision for our students- to see the potential in each and every individual and provide opportunities for success!

CONTENTS

- 2- Wanguri Activities
- 3 - Possum Magic and Sensory Paintings
- 4 - Book Week, Y6 Camp and Farewells
- 5/6 - Sports Day
- 7 - Silly Scientist
- 8 - Sony Camp
- 9 - NTLC, Assembly
- 10 - Term Dates, Book Swap
- 11 - Classroom Awards
- 12 - Recipes
- 13 - BEAT Festival
- 14/20 - School and Community Notices

TERM 2 CALENDAR

Year 6 Camp -
16/8 until 18/8
National Book Week -
21/8 until 25/8
Book Week Celebrations - **24/8**
Week 6 Assembly - **24/8**
Beat Choir - **7/9**
Week 10 Assembly - **21/9 8:45am**
Last Day of Term - **22/9**
School Holidays -
23/9 until 10/10

BIRTHDAYS - AUGUST

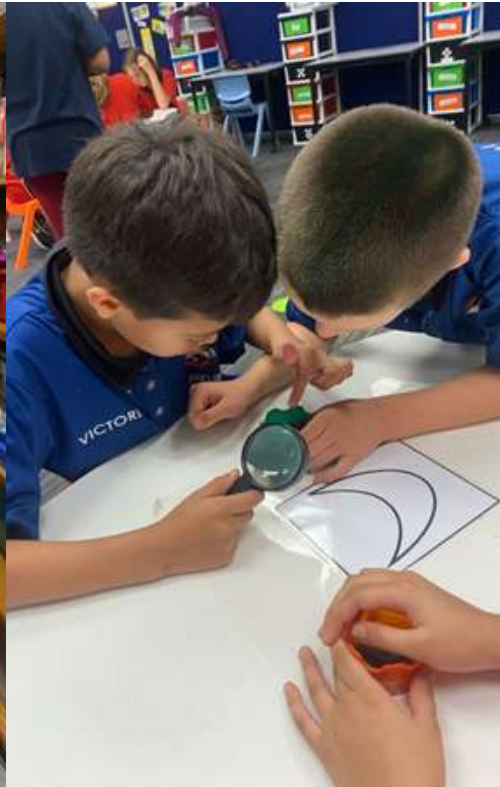

Alex	Joesph
Amika	Lance
Andre	Maaz
Bradley	Mila
Chavez	Pasinee
Dimitri	Phillip
Erica	Riak
Fred	Robert
Gurfateh	Seona
Harry	

SCHOOL SURVEY

Our 2023 Parent Survey is still open for another 10 days!! We would really appreciate your responses and input. Please find the link on school streams. There will be a \$100 Coles voucher up for grabs to one lucky family who take the time to complete the survey and provide valuable feedback. To enter the draw, please send a screenshot of you completed survey to our admin email admin.nemarluk@education.nt.gov.au or drop in a copy to the front office. If you would prefer a paper copy of the survey, please come and see the ladies at the Nemarluk Reception. Survey Closes on the 25th of August.

WANGURI ACTIVITIES

Wanguri class has been using Dash Bots to bring some excitement to our learning. We have been spelling and remembering words, following multi-step instructions, and using co-ordinates to give verbal instructions about location to each other during maths rotations. In science, we have been investigating how rocks, minerals and soils are naturally created and how we use them in our daily lives. We even had a go at creating our own crystals in the classroom which are growing fabulously!

POSSUM MAGIC

Last month most of our classes attended the Possum Magic Performance at the Darwin Entertainment Centre. The next day room 3 had a special visitor!!! They had the opportunity to make connections to learning - from their known knowledge of the Possum Magic story to seeing, meeting and feeding a real-life possum. Thank you to Nalani from Darwin Wildlife Sanctuary for visiting.

SNACKS AND LADDERS

We are stoked with the most recent addition to our interactive and sensory paintings collection. Adrienne Wade, thank you so much for filling this important space. As much as we would have loved our beautiful tree to stay, this snakes and ladders game is keeping the kids entertained just as much.

BOOK WEEK

DRESS UP DAY Thursday the 24th August

Next week, 19th - 25th August is National Book Week. This year's theme is Read, Grow and Inspire. At the week 6 assembly there will be a costume parade, so make sure your student is dressed up as their favourite character. To help celebrate Book Week, Trish, our Librarian will be reading stories to different classes throughout the classes.

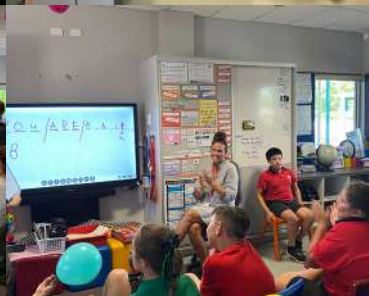

YEAR 6 CAMP

And they are off!!!! Our Year 6's left today for Nemarluk's annual Batchelor Outdoor Education Year 6 Camp. Everyone was super excited and we cannot wait to hear about what they get up too.

FAREWELL

In week 2 and 3 we said farewell to 3 very influential and beautiful staff members. Two of our Senior Teachers, Tracey and Gretchen and our school Psychologist, Therese are moving on from Nemarluk. This is definitely a bittersweet goodbye, but we wish them the best in all their future endeavours and travels.

SPORTS DAY

Nemarluk Sports days just keep getting better and better. As always everybody had the time of their lives but by the end of the day was ready for bed. Thank you to the Henbury Crewz'n and Brew for keeping everybody caffeinated and happy, you all did an amazing job. Thank you Anthony and the Nemarluk staff who made this day possible, you are stars!!!

STEAM SHOW - SILLY SCIENTIST

in week 2 this term we had the Silly Scientist Steam Show visit. It is always a blast for both the students and teachers. Michael and Micky interacted with everyone in the audience so well and create so many opportunities for everyone to join in and have the time of their lives. We are already looking forward to next year's show!!!

SONY CAMP

Every year Haileybury Rendall School hosts the Sony Foundation Childrens Holiday Camp. This year two of our students, Lucy and Alice Lacco attended for their second year in a row, and once again had a fabulous time. Keep an eye out for this event next year, as who would want to miss out on a weekend full of fun!!

NTLC

Last week our Northern Territory Learning Commission student hosted the Forrest Parade NTLC students for their midway pitch. All the students walked about their ideas for the Commission and our student had the chance to show off their new flash NTLC shirts. We are so proud of how well these students are showing their leadership skills and cannot wait to see what else they achieve.

WEEK 2 ASSEMBLY

Our week 2 assembly was short but full of announcements. We introduced our new Therapy dog Kelly, awarded our Northern Territory Learning Commission student with a shirt that they designed, said farewell to our beautiful Tracey plus much more. Term 3 was a action packed term so we are looking forward to our week 6 and 10 assemblies

2023 SCHOOL TERM DATES

Term	Start	Finish
Term 3	Tuesday 18 July	Friday 22 September
Holidays	Saturday 23 September	Sunday 8 October
Term 4	Tuesday 10 October	Thursday 14 December
Holidays	Friday 15 December	Tuesday 30 January 2023

MILLNER GREAT BOOK SWAP

In term 3 Millner's Nemarluk Satellite classes will be fundraising for the Indigenous Literacy Foundation, including holding a Great Book Swap at Millner Primary School.

We're holding a Great Book Swap to support the Indigenous Literacy Foundation (ILF) to provide books and learning resources to children living in remote Communities across Australia.

The Great Book Swap is a fantastic way to celebrate reading locally, learn more about Indigenous languages and culture, and raise funds for a great cause. This year the ILF are aiming to raise \$150,000 to gift 15,000 new books to remote Communities.

You can show your support by making a donation to our Great Book Swap page and sharing it with your friends, family and community!

<https://edu.greatbookswap.org.au/millnerprimaryschools/greatbookswap>

You can also scan the QR code to donate. We appreciate your support!

We are fundraising for Lungkura house. Lungkura means blue-tongued lizard in Walmajarri, a language primarily spoken by people living in or on the edges of the Great Sandy Desert and parts of the East Kimberley region of Western Australia.

Great Job

HOME-MADE CHEESE SPREAD RECIPE

Method

1. Combine both ingredients in a small saucepan
2. Stir over low-medium heat until the cheese melts and mixes thoroughly with the cheese
3. Pour into serving sized pots
4. Store in fridge or freezer. Please note, this does not have preservatives in them so will not last weeks on end. Best to use in 1-2 weeks.
5. Use this as a dipper, as a spread on sandwiches or you could even melt a little and pour over your veggies.

Ingredients

- 100g full fat tasty cheese (buy it in the block and grate it yourself to avoid anti-caking agents etc)
- 120g full fat sour cream

MY NAUGHTY ROCKY ROAD RECIPE

Ingredients

- 400g milk chocolate, chopped (I buy the 300g cadbury milk choc blocks)
- 300g pink & white marshmallows, chopped (use kitchen scissors & cut each one into 3 or 4 pieces – keep wetting the scissors to make them less sticky)
- 400g good quality turkish delight, chopped (same technique as the marshmallows)
- 1 cup rice bubbles
- 1 cup natural macadamias, chop coarsely

1. Line a lightly greased 20 x 30cm lamington tin with 2 strips of baking paper. Cross them over so they extend over the sides of the pan (makes it easier to remove it from the pan to cut it)
2. Melt chocolate (seriously I do this in a saucepan over low heat. Have never had a problem doing this Cadbury Milk Chocolate). Cool slightly.
3. Combine marshmallows, turkish delight, rice bubbles and macadamias in a big bowl
4. Work quickly, stir in the chocolate until it's all moist and coated in chocolate
5. Spread into the prepared tin and refrigerate
6. Cut into squares.

IDEAS IN NUTRITION

Do Dairy

Next week is Healthy bones week and Accredited Practicing Dietitians recommend sending dairy to school every day. Dairy foods have plenty of calcium to help develop strong bones.

Ideas for dairy in school lunch boxes

1

UHT milk poppas can be stored outside a fridge until they are opened.

2

Look for yoghurt that has less than 15 grams of sugar per 100g.

3

Create your own healthy yoghurt by adding fresh fruit to unflavoured/unsweetened yoghurt

Timely Tips on Head Lice/Nits.

Although they are not known to transmit any infectious diseases head lice can cause itch and irritation, lead to sleep disturbance and behavioral problems and sometimes skin infection. Nits are the eggs of lice attached to hair shaft near scalp-they hatch in 7-day cycles. Lice are spread by close contact.

- Schools should notify families when head lice is suspected.
- Families should check their child's hair regularly and treat any headlice effectively before sending child back to school. Please let the school know you have done the treatment.

No products available actually prevent head lice but the following routine can help reduce the risk of spread.

- Treat any visible lice/nits with occlusive product- **Hedrin** is recommended as safe and effective by NT Department of Health.

Be sure to follow instructions on packaging and repeat treatment one week later.

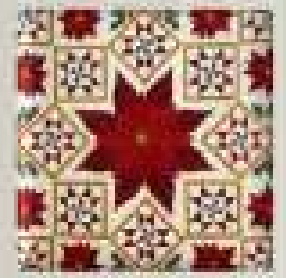

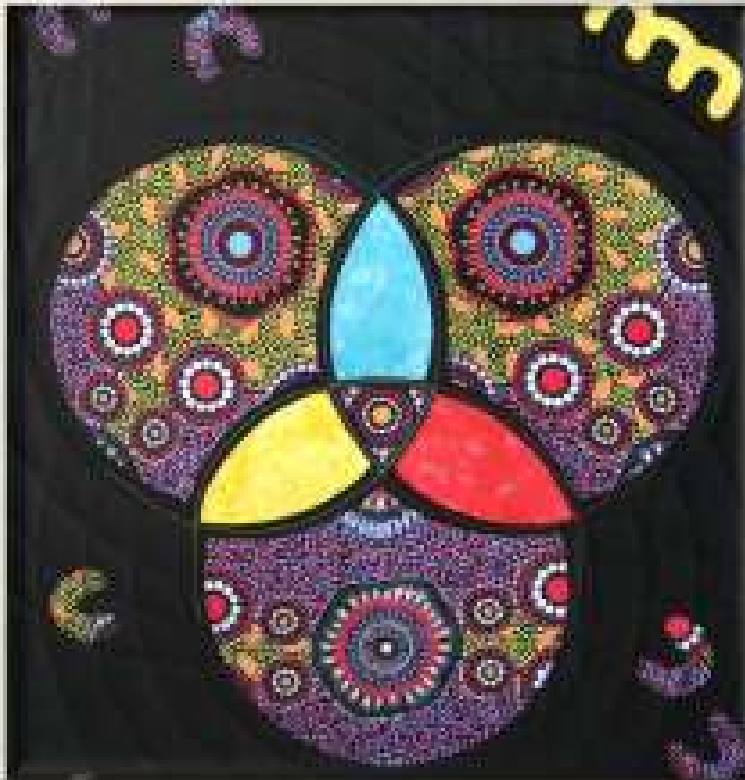

- Treat all family members who have live head lice at the same time.
- Weekly hair and scalp checks
- Wet combing frequently with nit combs
- Avoid sharing brushes, combs, hats, pillows.
- Washing brushes and combs frequently in hot soapy water
- Keeping long hair braided or tied back.

ANT Connect

EDUCATION ENGAGEMENT

Client Centred

Autism NT supports you, your child and their school to provide best practice, quality adjustments. We recognise the challenges of 'school refusal' for the family, student and school. ANT Connect wants to support engagement for wellbeing and education.

Support all Stakeholders

The ANT Connect program aims to support all stakeholders involved in your child's learning journey. We believe in a wrap around approach to set students up for success.

Working with you

- **Adjustment Advice** There is no one size fits all approach to accommodating an ASD student. We can assist you in building contextualised strategies.
- **Face to Face Support** Meet with our experienced staff to discuss your needs.
- **Engagement** Supporting the school and family to encourage student engagement.
- **Monitor** Supporting education plans by arranging, attending and advocating in adjustment plans.

Contact ANT Connect on: (08) 8948 4424 antconnect@autismnt.org.au

NDIS

Support Coordination

YOUR PLAN, YOUR CHOICE

What is Support Coordination

Autism NT's Support Coordination is all about enhancing your ability to manage and direct your own services. At Autism NT our NDIS coordination team will tailor specifically to the needs of the NDIS Participant.

We Listen to you

Here at Autism NT we are all about you! We take the time to listen to what you need and link you with the right service. We will sit down with you and go through your NDIS Plan and discuss how we can make it work for YOU.

Working with you to

Autism NT will work with you and discuss your plan and goals with the amount of assistance required by us.

- **IDENTIFY** services and link you with service providers that best meet your individual needs
- **OBTAIN** quotes for services and any assessments required
- **NEGOTIATE** service agreements and when/where the services will occur
- **MONITOR** your plan-making any necessary adjustments
- **PREPARE** for your NDIS review
