

NEMARLUK SCHOOL

SAFE RESPECTFUL LEARNERS WORKING TOGETHER TO ACHIEVE THEIR BEST

PRINCIPAL'S MESSAGE

**JUDY
MORGAN**

Dear Families,

Well, it's the final week of Term 3 as I write to you. This term has been a busy one! Students participated in and enjoyed a variety of excursions this term including Territory Wildlife Park, Botanic Gardens, AFL gala day and BEAT choir Festival performance. It is great to offer our students these wonderful opportunities in accessing different community events and locations.

Professional Learning

Our staff have continued to engage in professional learning throughout the term during weekly staff meetings. This has included sessions facilitated by Department of Education and Training Allied Health Therapists also Speech and Occupational Therapists. The Fine Motor Skills workshop was attended this term. Knowledge and skills gained from these sessions will be incorporated into daily teaching and learning programs. Teachers also participated in collaborative planning days across all stages of schooling. This provided staff with time to share ideas, resources and create engaging and innovative programs for our students moving into Term 4.

Nemarluk 40th Anniversary

The 40th Anniversary Committee had its first meeting last week. Stay tuned for information on the exciting activities planned to celebrate our 40th Anniversary in 2026. If you are interested in joining the committee, please let me know.

Early Childhood Performance

The Early Childhood classes have been working this term in preparation for the Early Childhood performance. Classes will commence dance rehearsal sessions in Term 4 as well as participating in drama, visual arts and music lessons provided by our specialist teachers.

Whole School Assembly

I am looking forward to celebrating the end of term with students, staff, family and community as we have our final whole school assembly - Thursday 18th September at 8:45am. Please join us to celebrate our students' achievements. We will be announcing our Green Ant award recipient. This award goes to a student who has shown our school values of; being a learner, being respectful and being safe over the course of the term. We will also be running the raffle draw for the \$100 Coles voucher for the winning entry for completing our parent survey.

As we come toward the end of term, I wish all our students, staff and families a lovely break. School resumes for students Tuesday 7th October 2025. Stay safe and well everyone and see you all back in term 4.

Judy Morgan - Acting Principal

Why Coming to School on Time Matters

Coming to school on time is very important for every student. When students arrive early and ready to learn, they can participate in the best part of the day — the morning session.

We have noticed that some students are often late. When this happens, they miss important activities. Being on time helps students feel more confident. They get to join their friends and teachers from the start and feel part of the class. This makes learning more fun and easier.

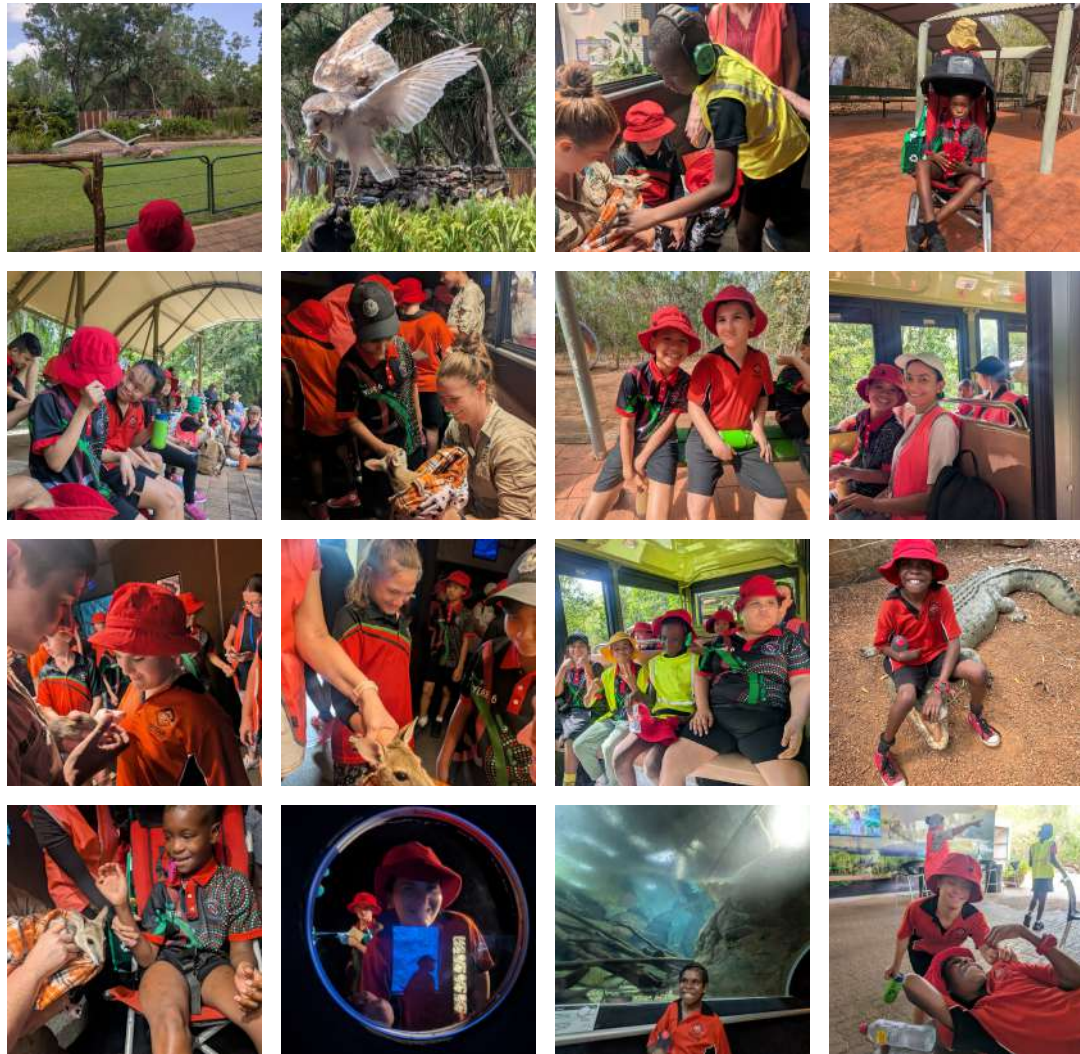

Let's try our best to come to school on time every day. It helps students learn more, enjoy school, and get ready for a bright future!

FATHER'S DAY STALL

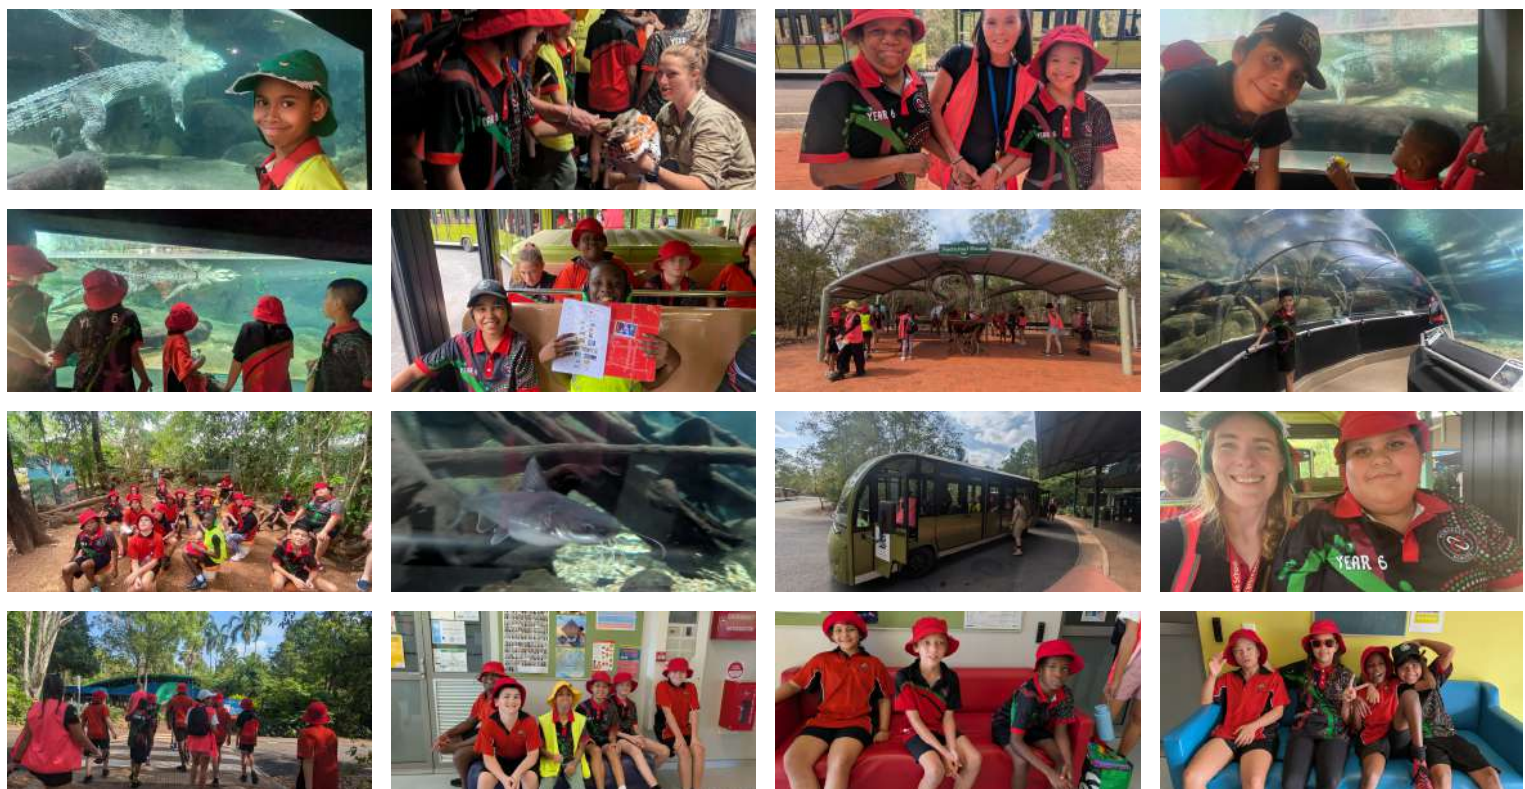

Nemarluk School Father's Day Stall Success! During Week 8, our students had a fantastic time taking part in the Nemarluk Father's Day Stall, and we're excited to share that we raised \$565 towards Early Childhood resources! The event was not only a fun way to celebrate the special father figures in our students' lives, but also a great hands-on learning experience. Students did an amazing job choosing thoughtful gifts, and they really impressed us with their skills in counting and calculating money during their purchases. A huge thank you to our staff, families, and community for supporting this event. Your generosity is helping us continue to build engaging and supportive learning spaces for our early learners. Well done to everyone involved – and we hope all the dads and carers enjoyed their gifts!

TERRITORY WILDLIFE PARK

This term Year 6 students have been learning about hibernation, migration and adaptations that help animals survive in their habitats. In Week 9, Year 6 classes visited the Territory Wildlife Park in Berry Springs. Students enjoyed visiting the Nocturnal House where they got to meet and pat a baby wallaby and bandicoot night. Students were in awe at the Flight Deck free-flight bird show and got to see Graham the crocodile in the Aquarium. We also spotted dingos, stingrays and many other Australian animals. Students had fun taking the train around the park and walking in the bushland. It was a great day!

MANUNDA TERRACE 1 UOW

This term, the Manunda 1 class had a wonderful time taking part in the Manunda Terrace Splash Day. Students loved the exciting water activities, especially the dunk machine, foam machine, and the large inflatable slide. There was plenty of cheering, laughter, and excitement as everyone joined in and encouraged their friends. It was a fantastic day of fun and teamwork and a great way to cool off together. In class, we have been exploring Biological Sciences by creating our own habitats. Students enjoyed choosing a habitat to design and carefully crafting all the living things that belong there. They have also been growing their own bean sprouts to observe the life cycle in action, which has sparked lots of curiosity and discussion. Students were eager to share their creations with each other, and it was fantastic to see the imagination and creativity that went into each project. We can't wait to see what Term 4 brings!

AFL GALA DAY

AFL Gala Day Fun! Last Friday, a group of Nemarluk students proudly represented our school at the AFL Gala Day and what a fantastic day it was! Students showed great team spirit, sportsmanship, and enthusiasm as they took to the field to learn new skills, play games, and have fun with students from other schools. It was wonderful to see so many smiling faces giving it their all in every match. A big thank you to the AFL NT team for hosting such an inclusive and engaging event, and to our staff who supported the students throughout the day. We're so proud of our students for their positive attitudes and participation. Go Team Nemarluk!

BEAT FESTIVAL

Our BEAT Choir had a great time taking part in this year's BEAT Festival on Wednesday Night. We couldn't be prouder of all the hard work and dedication put into this event by staff, students and families; you all did absolutely amazing!!

R O O M 4

As part of our literacy and science explorations this term, students in Room 4 have been looking at caterpillars and butterflies, and beans and sunflowers. We looked at the life cycles of butterflies, beans and sunflowers.

We used pictures of the different life cycle stages to sequence for an activity.

We tried to grow some sunflowers in our back garden, but a pesky bird came to visit, and we saw him eating our seeds for his breakfast.

We will plant more sunflowers next term, along with some indoor plants that we can eat.

We enjoyed investigating the plants growing in the Outdoor area- we even got to try some beans our friends from Room 3 grew in the big tubs out there!

We have been making a collection of sunflowers using a variety of media, and the results are stunning! We used our developing

fine motor skills to mould, rip, cut, glue and paint, and we're very happy with our efforts 😊

WEEK 6 ASSEMBLY - BOOK WEEK

Week 6 Assembly - Book Week Parade. Always one of our best days of the year - We love seeing everyone get dressed up as their favourite characters! The Nemarluk and Henbury BEAT Choirs gave us a sneak peak of their BEAT Festival Performance... AMAZING! Congratulations to our classroom award winners, keep up the great work

WEEK 10 ASSEMBLY

What a wonderful way to finish the term together! A big thank you to CDC Bus Service, who visited to present awards to four students who have been showing respect, kindness and safe behaviour on their bus rides to and from school. We drew the raffle for our Parent and Staff Survey participants. Congratulations to our winners and thank you to everyone who took part and shared their voices to support our school community. A special highlight was Room 13 and our Millner performance of “Country Tells Us When” as part of the Indigenous Literacy Foundation’s musical fundraiser which you can still donate to <https://buskingforchange.ilf.org.au/nemarluk-school>

NTLC MID TERM PITCH

Last Monday, 18th August, the Nemarluk NTLC students were joined by Henbury School and Forrest Parade School commissioners to have their mid-way pitch. Students shared their journeys so far this year in the NTLC, highlighting some great ideas, achievements, and some challenges too! We listened to each school share their NTLC journey this year so far, and provided feedback including things we really liked, questions and wonderings we had, as well as some ideas on where to go next. We look forward to working with these schools in the future and wish each the best of luck in their final stages before our big pitch to the minister at the end of the year!

GREEN ANT AWARD WINNER

Congratulations to Athallah, who received our Term 3 Green Ant Award – This award goes to a student nominated by the school community for their continuous display of our school values. I am Safe, I am Respectful and I am a Learner!

Great Job

BANDANNA DAY

**CANTEEN
AUSTRALIA**

**THURSDAY 30TH
OCTOBER**

85 Bandanna's available at the Nemarluk front office

For a second year in a row, Nemarluk will be participating in Canteen Australia's Bandanna Day. We want to do whatever we can to help provide life-changing support to young people, from all around the world, effected by cancer.

We have Bandanna's available for purchase at the front office, or feel free to donate via the link or QR code below. Help us make a difference 

**NORTHERN TERRITORY**

BUSSY'S CORNER

Smile

Smiling is fully connected with positive emotions such as happiness, joy, and friendliness. When someone smiles, it signals to others that they are approachable and welcoming. This positive emotional connection makes them more attractive and likable.

Always keep your smile alive on the bus. Give a smile to your driver and your friends on the bus too.

Can parents/guardians please ensure that students understand their responsibilities as outlined in the *Code of Conduct for School Bus Travel*. Click on this link for the Code:

https://nt.gov.au/data/assets/pdf_file/0010/547624/code-of-conduct-for-school-bus-travel.pdf

**SHARE YOUR SMILE**
WITH THE WORLD.
IT'S A SYMBOL OF FRIENDSHIP AND PEACE.

FUN FACT:
YOU CAN'T BREATHE WHILE YOU ARE SMILING

School Holiday Calendars

ONLINE NOW!

Get ready for an action-packed school holidays!

Looking for fun, free, or low-cost activities to keep the family entertained these holidays? During these September-October holidays, there's an incredible line up of 650+ events and activities happening across the Northern Territory!

Highlights include: Movie screenings, Craft workshops, Skateboarding, Family fun days ...and so much more for young people of all ages!

Activities will be updated regularly, so there's always something exciting to discover.

To explore what's happening in your area, visit nt.gov.au/school-holiday-events

SCHOOL HOLIDAY PROGRAM

September - October 2025

All school holiday activities are FREE and open to everyone.

Families are invited to join the fun!

Be sure to wear comfortable clothing and shoes for outdoor activities, apply the sunscreen provided, and bring a hat. Come along for some fun and to make new friends.

All children must be supervised by a parent/carer at all events.

Library membership is free for all NT residents.

Scan the QR code to learn more.

The Lions Club of Palmerston proudly presents International Entertainment Australia's...

2025 Razzamatazz Variety Show

The Razzamatazz Variety Show - a mix of comedy and circus acts, provides relaxed theatre performances for children, young adults and families.

Enjoy the "live performance" experience with a casual attitude to audience noise and movement in an accessible and inclusive environment, where you are welcomed and free to be yourself without restriction or judgement.

One hour shows. Suitable for all ages and accessible for people...

- with diverse abilities and backgrounds (wheelchair accessible)
- who might require a more flexible and inclusive environment when attending the theatre (sensory-friendly).
- who are facing hardship.
- are without access or opportunity to live theatre.

*Featuring moving and flashing lights, and upbeat, sometimes dramatic music.

ALL TICKETS ARE COMPLIMENTARY, including parent, sibling and carer tickets. Thanks to sponsorship from local businesses.

*Bookings from schools, organisations, carers and families are all welcome.

Scan the QR Code to visit the shows website and watch highlights from previous shows...
