

# NEMARLUK SCHOOL

SAFE RESPECTFUL LEARNERS WORKING TOGETHER TO ACHIEVE THEIR BEST

## PRINCIPAL'S MESSAGE

**VIRG  
HUGHES**

Welcome to our first newsletter of the year. A warm welcome to the 33 families who have joined our school community this year.

We have had a good start to the term, with student settling into their classes and school-based routines. Health and wellbeing are our curriculum focus for this terms unit of work teaching students' routines, how to manage transitions between activities and environments and learning to regulate.

Last week some of our Year 6 students attended their first community event at the Bombing of Darwin Commemoration Service, they listed to the service and then placed a wreath on behalf of the school.

### Strategic Work

As part of our working aligning to the Department of Education and Training's priorities ( Department of Education and Training strategic plan 2025-2028 ) our school strategic focus is Boosting literacy and numeracy:

- Ensure explicit instruction in reading and mathematics is consistently implemented across the school
- Provide targeted instruction to students who need additional support
- Raise school attendance:
- Ensure there are systematic processes in place, documented in an attendance plan, to raise school attendance, respond to absence and support re-engagement
- Partner with the school community to develop and implement an evidence-based strategy to raise attendance
- Increase overall student achievement of one or more focus outcomes
- We continue our swimming program that has been a long-term program at our school and aligns to the Department of Education and Training's priority of Improve student wellbeing. Students are assessed annually using the Royal Life Saving Australia, Swim and Survive water safety program.

### Student Absences

The Department of Education and Training continue to have a strong focus on attendance and require that schools are informed daily of any absences.

If your child is away, can you please ensure that you notify the school of their absence every day, even if you have already notified that they are sick. You can do this by emailing [admin.nemarluk@education.nt.gov.au](mailto:admin.nemarluk@education.nt.gov.au) ,sending a text to 0488 906 885, calling 89850400 or notifying via website.

### 40th Anniversary (Page 12)

This year we celebrate 40 years of education provision as a specialist school. There is a committee organising the event which will be held Term 2 Week 9. The school choir will sing a range of songs from previous school performances and classes across the school will develop a dance routine working with our performance choreographer.

School Council AGM is upcoming and we have a number of positions available, all families welcome to attend Monday 9 March 5:30pm at Nemarluk School 30 Styles St, Alawa.

## UPPER PRIMARY ASSEMBLY

In week 3 we held our Upper Primary Assembly, celebrating the wonderful achievements of our students with classroom awards and warmly welcoming our new senior students to the Nemarluk community. This year we are trialling a new assembly structure, with separate Upper Primary and Lower Primary assemblies, alongside a whole school assembly each term. We look forward to sharing and celebrating learning across all year levels throughout the year.

## BOMBING OF DARWIN

In Week 4, our Year 6 students attended the Bombing of Darwin Memorial, where they respectfully commemorated this significant moment in Australia's history and proudly laid a wreath in honour of those affected.

## KARAMA SATELLITE

The boys at Karama are off to a great start for 2026! They have been working very hard and have been having loads of fun!

## WULAGI

This term, we are learning about personal space, an important social skill that helps children feel safe and comfortable. Everyone has their own personal bubble — the space around our bodies that belongs to us. We get to decide who can come into our personal bubble, such as our family members and close friends. It's also important to remember that everyone else has their own personal bubble too. We need to respect other people's space and give them room so they can feel safe and comfortable.

## ROOM 8

Room 8 has been exploring sign language as part of our early learning routines. Students created a name craft by gluing the hand signs for each letter above their names, helping them make meaningful connections between letters and communication. Many students are beginning to finger spell their full name, while others are proudly learning to sign the first letter of their name!

## ROOM 3

We designed and made our own placemats for eating time to encourage independence and responsibility. The students were very proud to use something they created themselves during snack and lunch eating time. We have started learning about the **Zones of Regulation** and what the different colours mean. The students are beginning to understand how colours can help us describe our feelings and emotions. **Exploring Facial Expressions - Role-play** - We looked closely at our faces in the mirror to see how our expressions change when we feel happy, sad, angry, or excited. This activity is helping us recognise emotions in ourselves and others. **Expressing Feelings Through Art** - We explored our facial expressions through drawing and painting. The students created wonderful artwork showing different emotions using colours and shapes. **Celebrating Our Families** - We enjoyed welcoming our families to room 3 and drawing pictures of the special people in our lives.

## ROOM 1

Room 1 students have had a great start to the 2026 school year, we have been exploring school grounds, introducing routines and schedules, learning with Kelly our therapy dog and practicing self-regulation strategies to help us stay in the green zone so we are ready to learn. Well done room 1 students!

## ROOM 11

Students in room 11 have settled in well to their new environment and new routines. We have started learning about the Zones of Regulation, with a focus on the Green zone and what it looks like to be ready to learn. Students were also supported create a helping hand poster, to show the adults they feel comfortable going to when they need help at school. We are all looking forward to a fun year of learning!

## MILLNER 1

What a fantastic first week of school we've had! Our classroom has been buzzing with smiles, curiosity, and lots of "firsts" as we settled into our new routines. Students were so excited to reconnect with friends, make new ones, and begin learning what will help us have a successful and joyful year together. We practiced teamwork, created our class rules by talking about why they matter, built a strong sense of community, and jumped right into our first learning adventures. One of the highlights of the week was our very first music lesson with Mr. Jon — the children were all smiles! We also spent time learning our daily routines, like waiting for our names after playtime, washing hands before eating, getting cozy and ready for story time, and helping one another as a team. We're also looking forward to attending our very first school assembly in Week 3 — a big milestone for our class. I'm so proud of how quickly everyone has settled in, and I can already tell it's going to be a wonderful year full of growth, laughter, and discovery.

helping one another as a team. We're also looking forward to attending our very first school assembly in Week 3 — a big milestone for our class. I'm so proud of how quickly everyone has settled in, and I can already tell it's going to be a wonderful year full of growth, laughter, and discovery.

## MANUNDA 1 SATELLITE

Manunda 1 started the new 2026 school year with lots of excitement. We welcomed 3 new students into our class, Octavia, Indie and Muzhi. On our first day back we were all very excited to meet everyone and get to know each other. We did an activity in class where we chose a friend and we got to know who is in their family, what their favourite food is, what their favourite animal is and what we would like to do together at school

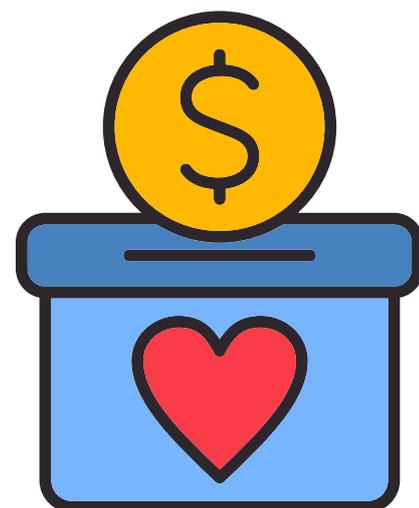

## NIGHTCLIFF SATELLITE

We have had a wonderful start to the year at Nightcliff Primary School. It has been fantastic to welcome four new students to our class, and it has been equally lovely to see familiar faces. We value the strong connections we have with our parents and carers, and we are looking forward to seeing you all at our Meet and Greet in Week 5. Over the past few weeks, we have been focusing on building friendships and helping students get to know one another through a range of social games. We are learning about being a good friend and reading the book the Rainbow Fish. Another class favourite has been Duck, Duck, Goose, which is encouraging turn-taking, listening, and teamwork. Our older students have shown leadership by supporting our new classmates. They have been fantastic buddies, helping them learn the routines of being at school, explore our new playground spaces, and feel confident and included in our new environment. We are very proud of the kindness and care they have shown.

## NAME PUZZLES

Handmade Name Puzzles for Sale. We have handmade name puzzles available to purchase at the front office for \$10 each! There are plenty of names to choose from! Images below. All proceeds go towards our 40th Birthday Celebrations next year. Donated by former staff member. Crafted by RALPH the PUZZLEMAN. ## NOTIFYING BUS ABSENCES

If your child travels to and/or from school by bus, please notify any absences (short-term, long-term or for the day) directly to the Special Needs Bus team.

Please email [specialneeds.nt@cdcbus.com.au](mailto:specialneeds.nt@cdcbus.com.au) and cc [elena.lee@education.nt.gov.au](mailto:elena.lee@education.nt.gov.au) with the following details:

- School
- Student name
- Bus run
- Period of absence (dates/times)
- Reason for absence

Providing this information helps ensure safe and efficient bus arrangements for all students.

## NOTIFYING STUDENT ABSENCES

If your child is away, can you please ensure that you notify the school of their absence every day, even if you have already notified that they are sick.

This is due to the Department of Education and Training requirements of schools being informed daily.

### You can do this by:

emailing: [admin.nemarluk@education.nt.gov.au](mailto:admin.nemarluk@education.nt.gov.au)

sending a text to 0488 906 885

calling 8985 0400

Our Release Teachers all have a department in which they specialise in. We have sport, drama, sustainability, sign language, art, health and music teachers who do an amazing job at engaging and supporting our students in the different curriculum areas. Not only do they run their own classes, but they are also always ready to step into any room, as a relief teacher, and pick up directly where the class left off. Over the year, our Release Teachers do an outstanding job of organising and producing events such as Sports day and the school performances. They are very valuable and important, and we are so grateful to have them at Nemarluk. Thank you for everything you do!!

- Partners with students, school staff, families, other health professionals and services within the community to improve access, engagement and Health outcomes for individual students and their families

Nemarluk school is so lucky to have the most amazing admin team working with us. They are the first point of contact for anything that comes in the door, over the phone and by email. Michelle, Maria and Erin love seeing the smiling faces of the students each day and listening to their stories. Although they are always busy working, they are never too busy to stop and help someone out or listen when it is needed. Thank you, ladies, we all love you here and appreciate everything you do for the students, parents, carers and all the staff.

We have two amazing women, Deni and Elice, who are in and out of the school pool most days. They spend a lot of their time teaching, assessing and grading our students during their swimming lessons. Deni is in charge of the MOVE (Mobility Opportunities Via Education) program at Nemarluk, and is assisted by Elice. The MOVE program focuses on students who have specific individual program goals around developing their mobility skills. These two gems are great with the kids and rarely fail to put a smile on everyone's face.

Trish is our one-of-a-kind librarian and is our organisation queen. She looks after our in-house library, student book club, math resources and organising book displays for events and themes throughout the year. Thank you Trish!

# Education Plan Meeting Information

Throughout Term 1 we will be holding our Student Education Plan Meetings. Education plan meetings are an important time for families and staff to share knowledge of student about their prior learning, current abilities, successful strategies. For further information about Education plans refer to our website [Assessment and Reporting](#), [Nemarluk School NT](#)

Each year we are striving to make the booking system as simple as possible; in saying this we have made some adjustments. Education Plan meetings go for 45 minutes with the exception of new students who may require an hour meeting. This year each class has been allocated 2 days over term 1 for their family's meetings to happen, this is to ensure we can start working on the student focus outcomes and meeting their needs as soon as possible.

We are getting this information out to you as early as we can to ensure that you have plenty of notice of available meeting times, so that you can book in early and work the meeting into your schedule. If you would prefer to book over the phone please call 8985 0400.

## BOOK NOW
