**Nemarluk School Council is an important part of the Nemarluk School community.**

School Council is about everyone working together.

**School Council enables you as a parent to be involved in the strategic decisions being made for our school and our students. Parents represent the interests and needs of families, students and the schools community.**

Parents bring important perspectives, knowledge and a range of skills that can support the school, its students and their education outcomes.

**Nemarluk School Council works with the Principal and leadership team to make governance decisions for the school.**

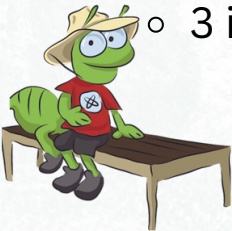

**The role of the School Council does not include making decisions about the specifics of the Department of Education or operational matters.**

The Principal is responsible for management decisions on the day-to-day operation of the school.

**The Nemarluk School Council Constitution details our membership as 12 members.**

- 6 Parents
- 2 Teachers
- The Principal
- 3 invited members

# Save THE Date

**The Annual General Meeting (AGM) is being held on Monday 11th March at 5:30pm.  
Everyone is invited to the AGM.**

The AGM is a great way to meet other parents, hear about the amazing achievements of last year from the Principal and the Council and find out more about how you can get involved in the school.

**There are lots of ways parents can help, you don't have to join the Council, but as a parent you have a vote at the AGM to elect the parents who will represent you.**

Please come along and get involved.

**We need passionate and committed parents who can bring their unique skills and experiences to the team.**

In 2024 Council has 5 parent members continuing into the second year of their position, there is 1 parent vacancy.

**Nemarluk School Council needs parents who:**

- Support the vision of the school
- Can attend 2 meetings per term (you can join online if you can't make it to the school)
- Represent the best interest of ALL students
- Want to work in partnership to make a difference in our school, for our children
- Hold or are eligible to obtain a Working with Childrens clearance Ochre card

**We want our parent membership to reflect and recognise the culture, history, ethnicity, uniqueness and diversity of our school community. Our members are inclusive and respectful of everyone's opinion.**

School Council operates under the Education Act, part 6 Parent and community involvement in government schools. We have a set of policies, procedures, and rules that are required to follow.

**Members of Council have access to training, support and advice to ensure everyone understands their roles and responsibilities and that as a Council we operate within our governing role.**

**Contact the front office to find out more about School Council.**
