NEMARLUK SCHOOL

XUNO

COMMUNICATION PLATFORM

WHAT IS XUNO AND HOW DO WE USE IT?

XUNO is our whole school management platform which allows a more streamlined approach supporting better data collection across the school for student progress and reporting, behaviour incidents, and first aid register.

Data can only be accessed by the current classroom teacher, Nemarluk leadership and admin team members.

XUNO is also used as our main communication platform, where you can find information regarding upcoming events, important notices and community news.

School Leadership Team will also use XUNO to communicate with the whole school community with urgent information if there is a critical incident or emergency.
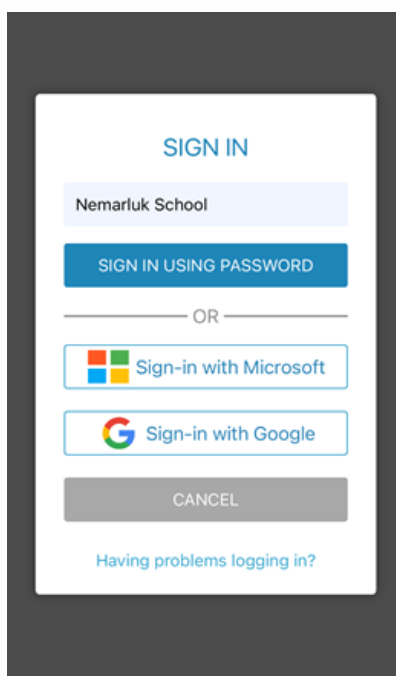

SIGNING INTO XUNO FAMILY APP & FAMILY PORTAL

Parents/Carers can access XUNO Family via the web or it is available for download on the Google play and App store.

To receive a XUNO welcome email, please give the front office a call on 8985 0400 or send an email to admin.nemarluk@education.nt.gov.au

You will receive your welcome email from emails@xuno.com.au. This email will include the portal link, your username and reset password link.

Reset your password and login via the XUNO Family app or the provided portal link.

WHAT DOES THE XUNO FAMILY APP LOOK LIKE FOR YOU?

On the XUNO Family app, you will have access to the Upcoming Events Calendar, news and announcements and the contactless kiosk feature, making signing in and out much easier. In future, we will be working towards using all available features on the app.
