Dear Christian Business Leader,

CCBF is pleased to present you with the **2025-2026 Business Directory.**

This is an important tool, enabling Christian business leaders to interact, network and do business with each other. This book includes both current and past CCBF members.

We call this our **"Four by Three"** Directory since it's:

- organized as four different directories
- accessible through three different channels of distribution

You'll find the following four different directories in one handy book:

- **A Directory by Advertisers**
- **A Directory by Type of Work/Services**
- **A Directory by Province (State)/City**
- **A Directory by Business Name**

This directory is available for distribution in three different formats:

- **In print format**
- **Online at: ccbf.org**
- **In downloadable PDF format**

I want to thank the advertisers in this directory (pages 8 & 9) who make it possible for us to distribute this book without charge.

May God continue to bless you and your business.

Dr Don Moore (Phil 1:6)
CCBF Executive Director

All About Us!

Canadian Christian Business Federation (CCBF) is a national community of business owners/workplace leaders who hunger to:

- **Live out our faith boldly by inviting God into our workplace**
- **Authentically connect and share the journey with others**
- **Build more meaning through changing lives and meeting needs**

Statement of Values

As Christian business owners, managers, and professionals, we acknowledge that our talents, ambition, and responsibilities are blessings from God.

With humility and purpose, we strive to serve our customers, employees, community, country, family, and God to the best of our ability.

Guided by the Holy Bible and the example of Jesus Christ, we believe both our personal and business lives are enriched through generosity. All blessings received are to be stewarded faithfully for the glory of God.

Leading Through Relationships

Demonstrating God's Love: CCBFis committed to the success of local business/ workplace leaders by demonstrating God's love to a divided, broken and often polarized world.

BIZ Groups Expanding:
CCBF has succesfully piloted a new initiative over the past two years. Our former "Chapter" format has now been Renamed "Community BIZ Groups" and has expanded for use by local churches as "BIZ Groups."

What a wonderful way to give back to so many business owners/workplace leaders who faithfully support our churches. For more information you may fill in the form on our website:
https://www.ccbf.org/biz-group-info-request

We want to be known first and foremost by our authentic expression of God's all-inclusive and non-judgmental love.

Christ, Our Example: We welcome all business/workplace leaders whoever they are, whatever their past, who they are now, or wherever they are on their faith journey.

Our example is Christ who welcomed everyone, including men, women, children, sinners, gentiles, and tax collectors.

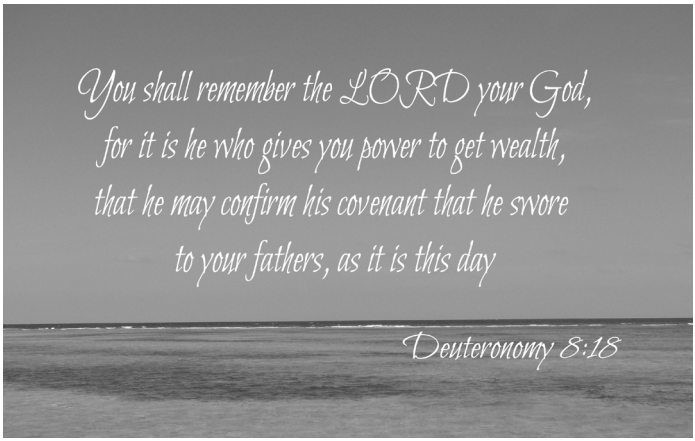

Personal Journey: We believe positive growth and change is a personal journey that happens through God's love, supported by a respectful community.

Study & Apply: We aim to foster authentic relationships by sharing the path of life and business together.

As we study and apply Biblical Leadership Principles, we will see changed lives and the meeting of personal and business needs.

Bringing People Together

We come alongside Christian schools in Canada to help them *develop*, *grow*, and *flourish*

Leading a Christian school in today's world can feel overwhelming, intimidating, and even lonely.

But with the right kind of support network and consulting partner, your school can take the next step forward—*and flourish!*

Members of ACSI Eastern Canada (ACSIEC) are part of a *global* association that seeks to raise the sights of Christian schools — to *educate, equip, and empower* students with excellence, while dynamically asserting a vibrant and life-giving *Christian worldview*.

ACSIEC supports schools in Ontario, Quebec, and Atlantic Canada through:

- **coaching & mentoring**
- **professional consulting**
- **training & development**
- **network facilitation**
