TEAM FEES (varies per team)

Tournament entry fees, referee fees, league fees, coaches travel, team or social event or gear (optional)

******Tournaments and leagues are not included in the price of the program. Each teams fees will be based on the tournaments and the league each team participates in. These fees will be entered and paid through Playmetrics for each team once they are decided. Prices will vary per team but each player should expect to pay between \$200-\$375 per season.**

- If you accept an invitation to participate on an ASC team, you will have the option to pay in full or choose an installment plan (registration fee required) to break up your Club Fees into smaller payments.
- If you choose an installment plan, each payment will automatically be charged to your card on file on the 1st of every month starting on August 1, 2025. This payment plan is to make it easier for families to pay by spreading the payments out over 9 separate installments after the initial deposit. **This is not a monthly subscription to play soccer.**
- For Financial Assistance information, please visit Playmetrics, Club programs and find Request Financial Aid at the top right.
