

Position: Construction Superintendent

Offered Wage: \$70,000.00 - \$90,000.00 USD yearly.

Job Summary:

We are looking for an experienced and detail-oriented Construction Superintendent to oversee and manage on-site construction activities. The Superintendent will be responsible for ensuring projects are completed safely, on time, and within budget while maintaining the highest quality standards.

Key Responsibilities:

- Supervise daily on-site construction operations, ensuring compliance with project plans, specifications, and schedules.
- Coordinate and manage subcontractors, suppliers, and site personnel.
- Enforce safety regulations, OSHA compliance, and company policies to maintain a safe work environment.
- Conduct regular site inspections to monitor work progress, quality, and adherence to blueprints.
- Communicate with project managers, engineers, and clients to provide updates and address any issues.
- Resolve on-site conflicts and troubleshoot problems to keep projects on track.
- Maintain accurate daily reports, logs, and documentation of site activities.
- Oversee material deliveries and inventory to ensure project efficiency.
- Ensure all work is completed according to local building codes and industry standards.

Qualifications:

- Experience: Minimum of 5 years of experience as a Superintendent in general construction.
- Education: High school diploma or equivalent (Bachelor's degree in Construction Management or related field preferred).
- Skills:
 - Strong leadership and team management abilities.
 - Excellent problem-solving and decision-making skills.
 - Ability to read and interpret blueprints, drawings, and project documents.
 - Knowledge of construction methods, materials, and OSHA safety regulations.
 - Proficiency with construction management software.
 - Strong communication and organizational skills.

Benefits:

- Competitive salary (based on experience)
- Health, dental, and vision insurance
- Paid time off and holidays
- Career growth opportunities
