

TEEN SESSION 1: What Will You Be Asked To Do?

BRIEF SUMMARY

You will complete a survey and upload a sample of your writing **before the session.**

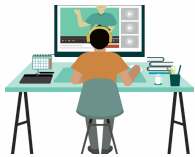

You will complete a few activities and chat about writing **during the session.**

You will take pictures of your handwriting activities and upload them **after the session.**

You will complete the session over **Zoom.**

Before the Session:

- You will submit a **completed survey** asking about who you are, how you act, and how you feel.
- You will upload a **sample of your writing** and bring it to the session.

During the Session:

- You will complete an **activity** on **vocabulary** and solve some **riddles**.
- You will **read aloud** real words and nonsense words.
- You will **handwrite** and **type** on a keyboard.
- You will **write a short story**.
- You will **chat with us** about your writing, writing experiences, and the tools you use to write.

After the Session:

- You will **take pictures** of your handwriting activities and **upload them**.

PARENT SESSION 1: What Will You Be Asked To Do?

Before the Session:

- You will complete four surveys:
 - about your **family**.
 - about how your teen acts in **real-life social settings**.
 - about things your teen does to **adaptively function** in their everyday life.
 - about your teen's **behaviours, academics, and mood**.

OUR WORK IS GUIDED BY AUTISTIC PEOPLE AT EVERY STAGE

Autistic Community Partners help us design the study, create materials, recruit participants, understand the data, and share what we learn.

We also train our team to use ethical, accessible, and neurodiversity-affirming research practices.
