

Invitation to 23rd
Regulatory and Pharmacovigilance Conference

We are pleased to invite you to attend the **23rd Regulatory and Pharmacovigilance Conference**, which will be organised from **14th to 16th September 2026,** taking place at KRKA, d.d., Novo mesto, Slovenia, and online.

This year's conference will highlight key legislative developments, address the growing demands of data reporting, and encourage the smart use of AI technologies.

Through regional diversity and close collaboration, we have consistently strengthened our position in the global regulatory landscape. We believe that the upcoming conference will be a valuable opportunity to take a strategic view of the future and discover new opportunities together.

A more detailed programme will be provided in the following weeks.

Please confirm your participation to the e-mail: Regulatory.Affairs@krka.biz no later than **29th May 2026**.

We look forward to your participation and to a meaningful exchange with colleagues joining both online and in person.

Nataša Eržen Vrščaj
Head of Regulatory Affairs

Suzana Kolenc
Director of New Products
