MONTHLY INSPIRATION

CareerSource Pasco Hernando's
Phoenix Rising Program's
Service Learning Project

Participants from the CareerSource Pasco Hernando Phoenix Rising Program partnered with Hernando County's People Helping People to assist with their food distribution day outside of their Spring Hill location.

People Helping People is a local non-profit offering multiple services to low-income families and individual, including food assistance, free medical clinics, hot showers and other supportive resources.

Phoenix Rising youth participants provided assistance by sorting, packing and delivering food items to residents waiting in line. This regularly scheduled distribution is a lifeline for many Hernando County residents struggling to keep food on the table.

People Helping People is supported by a large group of local volunteers, and CareerSource Pasco Hernando participants and staff were proud to be of service.
