#### **COVID-19 Re-employment Assistance**

As COVID-19 continues to impact communities across our state, more and more Floridians are continuing to file for Reemployment Assistance. In order to help accommodate the increased volume of claims, DEO launched a new, mobile-friendly online application. This new system uploads data into the CONNECT system.

The new application can be found at [www.FloridaJobs.org/RAApplication](http://www.FloridaJobs.org/RAApplication).

While the paper application remains an option for filing claims, the [www.floridajobs.org/RAApplication](http://www.floridajobs.org/RAApplication) process is faster and more efficient.

For additional information, please visit: Reemployment Assistance Resource Guide

For help with your Re-employment Assistance, please call (800)204-2418 or visit [www.floridajobs.org](http://www.floridajobs.org).

This phone number is a direct line to the Florida Department of Economic Opportunity (DEO), where all Re-employment Claims must be filed. CareerSource Pasco Hernando does not manage Re-employment Claims (Unemployment Benefits).

We realize there are higher than normal wait times and/or that you may not get through on the first try. However, CareerSource Pasco Hernando is here to help in any way we possibly can during this time. Please feel free to give us a call at (813)377-1300 ext. 3023, as we may be able to help answer your questions and/or point you in the right direction.

## JOB SEARCHING IN THE DIGITAL AGE IS STILL PERSONAL

### *DON'T SEND YOUR RESUME INTO THE ABYSS*

Applying for jobs has changed dramatically in the digital age. Now, with the help of online job sites, candidates can submit resumes and apply for dozens of positions in a single day, but quantity often doesn't equal success.

Some applicants apply for hundreds of jobs with no response, essentially sending their resumes into a black hole. If that's where you are, it's time to change your approach.

These job-searching tips, paired with the resources we offer to career seekers, will help you use digital tools to find a job you love.

- Include keywords in your resume and application
- Maximize your social media presence
- Personal contact still matters
- Follow-up is key

At [\*CareerSource Pasco Hernando\*](#), we can help you develop your resume and practice interviewing techniques. We also offer assessments to identify careers that match your talents and skills, along with internships and on-the-job training programs.
