#### Success Story *Gary Pace*

Gary Pace is a United States Army veteran with 23+ years of service, from where he retired a couple of years ago. After separating from the military, Gary stepped out on faith and relocated to Florida to pursue a career in Information Technology. Gary was unsure in which steps to take in order to gain meaningful employment, and CareerSource Pasco Hernando (Dade City) was there to help steer him in the right direction, while providing funding for Gary to earn his IT certificate. Gary expressed his experience, "the resources provided to me at CareerSource Pasco Hernando was a total game-changer in my pursuit of IT employment." He also decided to further pursue his education by utilizing the Vocational Rehabilitation and Employment (VR&E) Chapter 31 program through the VA.

Gary met with Veteran's and WIOA staff at CareerSource Pasco Hernando in December 2018. During the next several months, he worked toward completing certifications through the WIOA program (Rhonda Payne) and his degree through the Chapter 31 program in addition to job searching with the help of the DVOP, Julie Hayes. When asked what the most difficult part was, Gary stated, "the most difficult

part of my job search was fully understanding what was needed to qualify for IT related jobs. My difficulties were resolved with the help of Ms. Hayes of the CareerSource Pasco Hernando team, in which she made it transparent that I should pursue industry standard certifications.”

After 2 years of unemployment through his hard work, Gary has successfully obtained employment with Jacobs Technology, as a PC Technician. Upon being offered this position, Gary said, he “felt as though the weight of the world was lifted off my shoulders. I owe everything to CareerSource Pasco Hernando for pointing me in the right direction.”
