MONTHLY INSPIRATION

In June 2022, CareerSource Pasco Hernando hosted a four week, Summer Trades Program, with a focus on the Construction and Information Technologies trades. The goal was to spend four weeks giving students on the job work experience, while earning a wage, in addition to equipping students with an industry certification. CareerSource Pasco Hernando partnered with agencies such as the Pasco and Hernando County School Districts, Pasco-Hernando State College, Wilton Simpson Technical College and BayCare to prepare students for the workforce by educating them with soft skills, career coaching and hands on experience with employers from our community.

The outcome....

72 students participated in a program which gained them tangible skills for future success!
