MONTHLY INSPIRATION

When Caroline enrolled into the CareerSource Pasco Hernando Youth Program, she knew she had a passion for the care and welfare of animals. However, Caroline needed her high school diploma before she could move towards her goal of becoming a Veterinary Assistant.

Career Coach Kelly Durante, along with Workforce Development Specialist Dominic Johnson, worked with Caroline to meet both her educational goals through the Penn Foster High School Diploma Program, as well as placing her into a paid internship locally with Westside Animal Clinic. Caroline took advantage of every opportunity to learn all she could during the work experience, and has done a great job! Dr. Green with the Westside Animal Clinic had this to say about Caroline:

"We are just getting started with the WIOA program, and the candidate is eager to learn! She is learning quickly and has been helping as much as possible. We look forward to seeing her progress as her experience level grows."

On December 15, 2022, Caroline joined her fellow classmates in walking across the stage to receive her high school diploma, as part of the last graduating class of 2022 under the CareerSource Pasco Hernando Youth Program!

We are excited to continue to support Caroline on her journey through the youth program and look forward to seeing her accomplishments!
