MONTHLY INSPIRATION

"As a new business having access to employment candidates that have already been vetted through the program has been a great resource. We have saved so much time in the interviewing process. We were able to hire within our community of Hernando and Pasco Counties. There is a lot of time, effort and cost associated with training a new employee. CareerSource Pasco Hernando was able to connect our company with qualified candidates and share the cost associated with their training. We are thankful to CareerSource Pasco Hernando. They provide vital services for our citizens and local businesses. We look forward to working with them on future new hires and continued training programs they offer."
