Life. Love. Legacy.™

I recently found myself outside with my wife Montana, as she was kneeling in the dirt with the best of intentions to “get a jump on spring.” Armed with gloves I wasn’t sure had ever met soap, and a trowel that’s seen better days, she set out to conquer a small patch in the yard’s corner that felt as vast as the Grand Canyon—mostly because the work ahead looked just as intimidating.

This year, she’s trying a new approach with two of her favorite flowers—lavender and poppies. Year after year they start out bright and hopeful—lush green and full of promise—but under our watch, somehow morph into scraggly, sunburnt survivors. No matter how hard we try, we can’t seem to get these beauties to thrive. Past years had her rushing home from the garden center, grabbing the shovel, and excavating holes with the precision of a caffeinated mole. She’d water those delicate little green hopefuls with the enthusiasm of a fire hose and fertilize like she was trying to grow a forest overnight—perhaps drowning and chemically burning them all at once.

Then I stumbled on a video where a woman explained that the secret to lavender isn’t obsessing over the plants after planting but properly preparing the sandy soil before doing so. The next part she demonstrated. She backed away carefully, turned around and began the last part of caring for her lavender: just leaving be those precious petals with pugnacity. I shared this with Montana right away.

That new perspective made the whole process feel a little more manageable—like finally learning that the garden will grow at its own pace regardless, even if we can’t always see it happening.

And that’s when it hit me—gardening, much like life, isn’t about perfection or instant success. It’s about showing up, doing what we can, giving our best, and finding joy in the process—even when things get messy or don’t go as planned. Sometimes those messy, imperfect moments teach us that stepping back and letting things unfold without interference is both the most difficult yet most rewarding part of the journey—and that’s beautiful!

You know what else is beautiful? The volunteers who give their time, energy, and heart to this community. It’s Volunteer Appreciation Month, and we want to take a moment to celebrate these everyday heroes who help our garden—our community—thrive.

So, thank you—to every volunteer, every resident, and every family—for being part of this journey with us. We’re all growing together, in all the wonderfully messy ways that make life worth it!

Sincerely,
Logan Manning
Executive Director

STEPPING INTO SPRING

SAM HOLLARS

April is a wonderful time of year at Legacy Village of Cleveland. Warmer temperatures, blooming flowers, and longer days invite many of us to spend a little more time outdoors enjoying fresh air and sunshine. As we welcome the season, it’s also a good opportunity to keep a few simple safety reminders in mind.

WATCH YOUR STEP DURING APRIL SHOWERS

Spring weather often brings frequent rain showers, which can make sidewalks, entryways, and patios a little slick. Wet floors and damp pavement can increase the risk of slips and falls, especially when moving between indoor and outdoor spaces.

A few simple habits can help keep everyone safe:

- Take an extra moment when walking on wet surfaces
- Use handrails whenever they are available
- Wipe your feet carefully when entering the building
- Let staff know if you notice a wet or slippery area

Our team keeps a close eye on these conditions, but residents are always encouraged to help by reporting areas that may need attention.

ENJOYING THE OUTDOORS

Spring is one of the best times of year to enjoy the beautiful outdoor spaces around our community. Whether it’s a short walk, visiting with neighbors outside, or simply enjoying the sunshine, spending

time outdoors can be refreshing and uplifting.

As you head outside, remember to:

- Wear comfortable, supportive shoes
- Stay hydrated on warmer days
- Be mindful of uneven ground or damp walkways after rain

Taking these small precautions helps make outdoor activities safe and enjoyable for everyone.

A NOTE FOR EARTH DAY

April is also the month we celebrate Earth Day, which falls on April 22. Earth Day is a reminder to appreciate the natural beauty around us and the role we all play in caring for our environment.

Here in Southeast Tennessee, spring brings colorful blooms, green hillsides, and the return of many birds and wildlife. Taking a moment to enjoy these signs of the season—whether from a bench outside or a walk around the community—is a wonderful way to celebrate the spirit of Earth Day.

LOOKING AHEAD

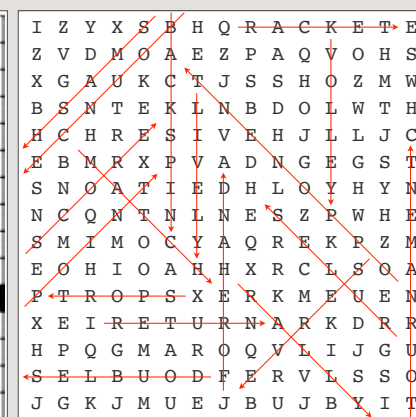

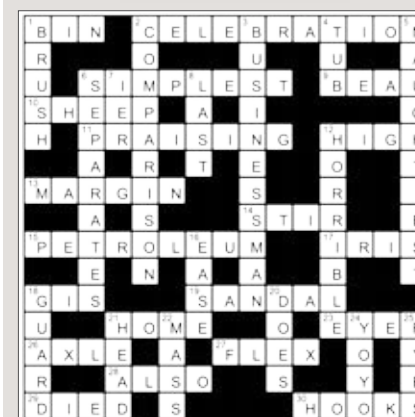

Spring is a season of renewal, and April offers plenty of opportunities to enjoy the outdoors while staying mindful of safety. By watching our step during rainy days and taking advantage of the warmer weather responsibly, we can all make the most of this beautiful time of year.

Here’s to fresh air, blooming flowers, and a safe and happy spring.

Sam Hollars
Director of Physical Plant

Gardening is cheaper than therapy — plus you get food (or flowers)!

IF YOU LOVE WHAT WE DO, PLEASE LEAVE A REVIEW!

YOUR FEEDBACK HELPS OTHERS!

DO THE BEST YOU CAN

Now, there is an idea worth adopting. I often quote myself, "do the best you can with what you've got to work with." I know that's not exact English grammar, but it's a true and worthwhile endeavor. The real quote, attributed to Teddy Roosevelt in his 1913 autobiography, goes like this, "Do what you can, with what you have, where you are." It's obvious he was encouraging quick action while overcoming whatever limitations existed.

As we age, we must deal with certain unavoidable realities. This is true for everyone reading this article. If we are residents, adult children, or even grandchildren, we all are experiencing changes in what used to be. Just yesterday, I was removing some diseased box-wood plants from our flowerbeds. I took some ratchet straps and hooked them to my car and pulled them out of the ground. Sounds simple, but this involved me getting on my knees to wrap the straps around the base of each plant. My 77 year old knees don't do that because getting them back to an upright position ain't like it used to be. But, they had to go, so "I did the best I could with what I had to work with."

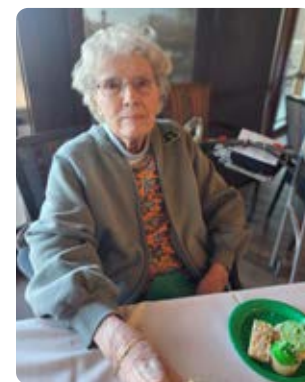

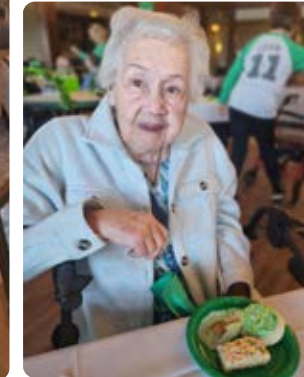

When we apply this concept to our walk with Christ, we need to answer the question: what is my best? Comparing ourselves with Jesus, (first of all we always come up on the short end of that task) we must fulfill His command to remain faithful to the end. That means even if we don't still have the strength, the energy, the aptitude, the desire, the will, that was once our calling card, we still have Him living inside us. And to have Him living in us means just that..."He Lives, He Lives, Christ Jesus Lives TODAY, He Walks with Me and Talks with Me, Along Life's Narrow Way." He knows all my weaknesses and all my infirmities. He doesn't expect me to live in the past, but He does expect me to live up to my ability. When we couple our ability with His love, mercy and grace, we are an unmovable, unshakable force for good. "Do the best you can..."

8:00AM

Westmore Church of God will lead the service, with Phillip Looney and Rick Knight speaking.

Family is welcome.

CHARLENE ZECH: LOVE, SERVICE AND TOGETHERNESS

Charleen's story begins in South Gate, California, where she was born to her loving parents, Helen Palmer and Arnold Beito. Growing up alongside her siblings, Dennis and Pam, in the bustling heart of Los Angeles, Charleen's early years were full

of energy and community. Attending Downey High School, she was a spirited yell leader, rallying school pride with enthusiasm. When she wasn't cheering on her classmates, you could find her at the school pool, sharing her love of swimming by teaching lessons to eager students.

It was by that very pool where fate stepped in—Charleen met Lawrence Zech Sr. The story has a playful spark: Lawrence had bet his friends he could win a date with her. Turns out, it wasn't just a bet—it was the start of a lifetime. Their high school romance blossomed on and off, eventually leading them to marry after graduation.

Lawrence built a steady career at the Los Angeles Times, working in the stereotype department where he crafted plates for the printing process. He dedicated 25 years to his work before his passing, having been a pioneer as the first kidney transplant recipient in Southern California. Through it all, Charleen stood by, a steadfast partner and mother. Charleen poured her heart into creating a warm,

loving home, choosing to be a stay-at-home mom to their three children: Lawrence Jr. (Robin), Sharon (David), and Dennis (Sande). Their family grew with joy and laughter, now including eight grandchildren, twenty-two great-grandchildren, and even a great-great-granddaughter—a true legacy of love.

Once her children were grown, Charleen stepped into a new role, serving her community as a police dispatcher in Compton. Her years on the job reflected her dedication and care for those around her.

The Zech family cherished their time together, especially their annual two-week camping trips to Yosemite—a tradition filled with adventure and memories. Summers were often spent on the water, cruising and skiing behind their beloved ski boat, making the most of every sunny day.

Faith and friendship are also close to Charleen's heart. She is a devoted attendee of Calvary Chapel in Old Towne Orange County, where she engaged in Bible study and found fellowship. Her love for the outdoors shines through in her daily walks, and she has a knack for making friends wherever life takes her.

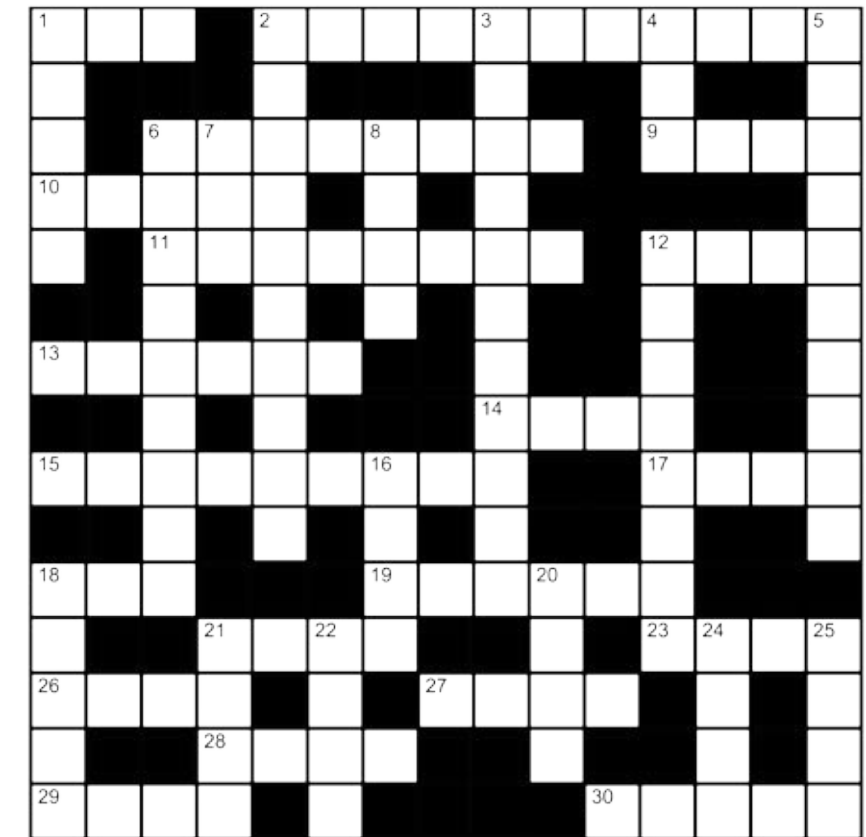

We are truly grateful that Charleen calls Legacy Village of Cleveland home. Her warm spirit and welcoming smile brighten our community, making it a better place for all of us.

A HEART THAT BRIGHTENS: THE LIFE & SPIRIT OF ETHEL STEWART

Born in Akron, Ohio, Ethel was the eldest daughter of Forrest

and Lucille Goodman, growing up alongside her one brother and two sisters. She spent her childhood on a beautiful 100-acre farm in Greensburg, Ohio, where the family raised wheat, corn, cattle, and milk cows. Ethel didn't just grow up on the farm—she thrived there. She loved the hard work, the early mornings, and the deep sense of purpose that came from farming life. Those days shaped her strong work ethic and grounded spirit.

Athletic and full of energy, Ethel ran track and jumped into any sport she could squeeze in. She graduated from Greensburg High School in 1955 and soon after began her professional journey at First National Bank of Akron. Starting as a teller and administrative assistant, she found her stride in credit collections—a field where her sharp mind and steady determination would shine for years to come.

In 1960, Ethel met the love of her life, Al, at church. What began there blossomed quickly into a beautiful partnership. Al was a country music star, and together they shared 43 loving years filled with faith, laughter, and unwavering devotion. Their marriage was a testament to true partnership, with a bond that

touched everyone who knew them.

Later, Ethel and Al moved to Texas, calling it home for 35 years. She continued her work in credit collections and even had the unique experience of working for celebrated author Sandra Brown before retiring in 2007. Retirement led her to Tennessee, where she settled and embraced a new chapter of life.

Creativity has always been close to Ethel's heart. She loves to crochet, crafting pieces that she often gifts or sells, each stitch a reflection of her care and skill. She also finds joy in sketching—especially barns—and designing dresses, blending her rural roots with a keen eye for beauty and detail. Her artistic spirit brings warmth and charm wherever it goes.

A devoted member of Cornerstone Apostolic Church, Ethel's faith has been a cornerstone throughout her life. Though she can no longer attend services in person, her faith remains a guiding light, steady and strong. While she never had children of her own, she is surrounded by a close-knit circle of friends and church family who cherish her deeply.

Ethel's sparkling, sassy personality is a beacon of light for everyone around her. Her warmth, strength, and spirited charm brighten the days of both staff and residents alike. We feel truly blessed to have Ethel as a treasured part of our Legacy family.
