Sts. Peter and Paul School utilizes FACTS Student Information Systems for student admissions.

- All new students must complete an online Application. The application can be found on our website, www.SPPSHopkinsville.org, under the Prospective Families tab. A non-refundable application fee of \$50 is due at the time of application.
- Applications are reviewed by the school office, and letters of acceptance with enrollment packets will be emailed the week of March 3rd.
- A student is considered officially enrolled upon the **SUBMISSION** of the enrollment packet.*

Submitting an enrollment packet means we are saving a spot for your child at SPPS. If you choose to withdraw after submitting enrollment, the following charges will apply:

Before July 1, 2025: \$150 Fee

After July 1, 2025: \$300 Fee

*In certain circumstances, it is possible that if more than one week passes between the offer of acceptance and the submission of the enrollment packet, a spot may no longer be available for your child.

Payment Information

Payment of tuition and fees is also handled through FACTS. There is a section in the enrollment packet to choose your specific payment plan. We offer the following payment plans: Annual Payment, Bi-Annual Payments, Quarterly Payments, or 10/12 Monthly Payments. FACTS charges an annual fee of either \$30 or \$55 depending on your choice of payment plan.
