Group Voluntary Accident Insurance

Unexpected accidents can cause bumps, bruises, breaks, and other injuries that require medical attention. Accident Insurance coverage pays cash benefits directly to you to help cover the cost of hospitalizations, treatment and medical services due to a covered accidental injury, allowing you to focus on recovery.

The **Outpatient Physician's Benefit Rider** pays a cash benefit when you or a covered family member receives treatment from a licensed physician outside of a hospital. This may include annual physicals, preventive testing, treatment for illness, immunizations, and dental or vision care. Coverage pays once per day, per covered person (not to exceed two days per covered person), per calendar year.

Group Voluntary Critical Illness Insurance

Facing a serious illness can be life-changing – and costly. If you are diagnosed with a covered critical illness such as a heart attack, stroke, cancer, or end stage renal failure. Critical Illness coverage can help protect your finances so you can focus on recovery.

Get paid to stay healthy! Our **Wellness Benefit** provides you and your covered family members with an annual cash benefit when you undergo an eligible preventive examination or health screening performed by a physician or physician's assistant. This may include an annual screening or preventive exams such as certain cancer screenings and biopsies, mammographies, colonoscopies, lipid panels, chest X-rays and more. Coverage pays once per covered person, per calendar year.

Group Voluntary Cancer Insurance

A cancer diagnosis can be overwhelming and life-changing, but with Cancer Insurance from The Standard, you can rest a little easier. This coverage pays cash benefits if you are diagnosed with cancer or 29 other specified diseases, giving you the support you need on your path to recovery.

Get paid to stay healthy! Our **Cancer Screening Benefit** pays an annual cash benefit when you or your covered family members undergo an eligible cancer screening, including bone marrow testing, Pap smear, mammography, or blood test for breast, ovarian, colon, and prostate cancer. Coverage pays once per covered person, per calendar year.
