# What Clients

## HAVE TO SAY ABOUT MEETING AT THE THE JULIE-ANNA

Great place to hold training days for small groups in Bendigo. We regularly run residential training courses for veterinarians - usually about 6 every year with each course averaging 10 vets. We have used the Julie-Anna for the past 7 years (minus one due to COVID). The hotel knows what we need for accommodation of participants and trainers as well as providing a good training room. The staff are friendly and happy to help make the training fun to time through the day. The food is good and delivered on time to help the day run smoothly. Over the years we would have put through about 50 courses and I cannot remember one grumble from the participants about the Julie-Anna's rooms or service. We intend to keep coming back.

- Grant R., Tripadvisor

Blackwood Advisory had a Director strategy day at Julie-Anna and was a huge hit. Easy to deal with, great communication and very nice accommodation. Great job gang!

- Trev B, Facebook

Spotlessly clean and comfy room, with the most comfortable bed and luxurious spa in the bath-room. Excellent conference facility with AV set up and high quality morning and afternoon teas. [...] the team are dedicated customer service people and they helped make my work trip to Bendigo stress free and enjoyable. Located opposite the lake, it is a truly beautiful part of town. This was my second stay for a work trip in Bendigo and I'll definitely stay there next time. I recommend.
