To the West Shore Fire Community,

On Friday, May 1, 2026, we convened our annual budget meeting during which we presented two budget proposals. The first proposal incorporated the State Vehicle Tax Reimbursement, featuring a mill rate of 7.59 for Real Estate and Personal Property, as well as 3 mills for Motor Vehicles. The second proposal, which excluded the tax reimbursement, had a mill rate of 8.11.

As of Tuesday, May 5, 2026, we have been informed that we will receive partial reimbursement. Therefore, we will pass the savings to our constituents by submitting an amended budget, proposing a mill rate of 7.75.

We would like to thank the West Shore Community for your continued support.

Please come out to vote for the budget on Saturday, May 23, 2026 at Bailey Middle School

From 8 am to 8 pm.

Respectfully,

West Shore Fire Commission
