

Sponsor-A-Preschooler at Little Lights Preschool at WMC

Little Lights Preschool at WMC strives to be able to assist families needing help with their preschooler's monthly tuition. It is our hope at Little Lights Preschool that every family that desires to send their child to preschool can do so without the extra burden of how they will be able to afford it. We do this by offering partial tuition scholarships to families requesting financial assistance. Our Scholarship Account is funded by local business sponsorships, our monthly SCRIP Gift Card earnings, and our Sponsor A Preschooler.
