FASHION and FURiends to benefit the Humane Society of Oldham County

City Place, 112 S 1st Ave, Lagrange KY 40031 – Sunday, May 17th, 2026 1-4pm.

The Humane Society of Oldham County has invited "local celebrities" to model the latest spring styles, with their pets dressed up as well!

This fundraising event will include adoptable animals, an online auction, a gourmet dessert bar, music and vendors.

Women's and men's fashions will be from Dillard's in the Mall St. Mathews, 5000 Shelbyville Road. The event begins at 1:00 with the fashion show at 2:30. Tickets are \$30 and available online or \$35 at the door. VIP tickets are \$35 and include a front row seat along the runway and are available on line only.

The Humane Society of Oldham County is a no-kill rescue organization whose mission is to find permanent, loving homes for less fortunate animals, provide Trap-Neuter-Return services for homeless and community cats and offer low-cost spay/neuter for those who cannot afford this service.
