December, 2025

Yá'át'ééh,

Good day, friends and family. As we settle into December and look forward to all the Christmas activities, it appears that winter has also settled in. Temps have dropped, the snow has fallen, and winter is here. We are eagerly looking forward to the 2026 season. There is an overwhelming excitement for what God is doing in our community; we are seeing some amazing things happen and change in the lives of many. It is hard to find the words to express what we see happening. We have seen an increase in attendance in small groups, and we have had some step up to serve. We have seen some in whom we invested get baptized and find a church family. I sit in anticipation of what God is doing. I feel like the dam is about to break and flood gates are about to open. Change and

growth are about to flow through our community. I hate to use the word, but I feel like a great revival is right around the corner. Please **pray** that this is real revival, and that we see our church family fall deeply in love with Jesus, follow God so passionately, and submit to the direction of the Holy Spirit in such a way that Satan's grip on the people of this land will be lost. **Pray** that as the spiritual warfare intensifies and as Satan has increased his attacks, our team will remain strong and cling on to the Heavenly Father who leads and guides us. As many of you know, the best way for Satan to derail what God is doing is to derail those who are doing God's work. **Pray** that our team will be able to stay on task and not get distracted by all the good and not so good things taking place. **Pray** we will see the direction and moving of the Holy Spirit and not miss God's perfect plan, and that we can walk in step with Him. **Pray** for strength and endurance for the team so that we will finish well and not become weary in doing good.

Please **pray** about some major changes we are expecting. First, at this given moment, our plan is that my mom will be moving in with us at the end of December. We are planning to travel to NY to bring her back to NM with us. Second, last month it looked like everything was arranged and the roof replacement was under way. Unfortunately, with the pre-inspection, everything changed. Now we are working on solutions to pitch problems and other problems. Since the weather is turned, it looks like the roof project will have to wait until spring.

As I conclude I saw a post by the Baptist Convention of NM. In that post the IMB estimates 166,338 die daily without Christ. The Baptist convention of NM estimates at least 40+ people die in New Mexico every day without Christ. According to Harvesters ministries, 95% of First Nations people remain unreached with the Gospel. There are 5.7 million First Nations people in North America. **That means that 5.4 million first nations people in North American who remain unreached or unengaged.** *There is still work to do. There are people who need to hear about Jesus. There are people who have heard about Jesus who need to learn how to follow Him more closely. Who will go, will it be you?*

#### Prayer requests

- New ministry partners
- Those who continue to battle with addiction
- Roof repair Issues
- Rob's Mom as she transitions to New Mexico with us

#### Praises

- There appears to be a renewed passion for Christ.
- We continue to see God's provision, protection, and compassion for us and our people.
- Families engaging and serving at all 3 locations
- Road trip went well
