## Cemetery Perpetual Care Rules and Regulations

We appreciate your cooperation in abiding by the following rules to facilitate maintenance and retain the dignified appearance of our cemetery:

- Each gravesite will be permitted **ONE** decorative item: a granite or bronze vase for flowers OR one small religious statue (non-plastic); the vase or statue **must** be secured to the headstone or a permanent base.
- Nothing (plants, flowers, shrubs, or trees) can be planted in the ground except by Cemetery staff.
- **NOT permitted** around any gravesite: solar lights, plastic or glass vases, border edging, mulch, and rocks. All of these interfere with the mowing and trimming around the headstones. Only existing granite borders in the west section are allowed to remain.
- Breakable articles and containers will be removed by Cemetery staff.
- Dead, wilted, or faded flowers will be removed by Cemetery staff.
- Benches **are not** permitted at any gravesite as of June 2011.

*The Cemetery maintains the right to modify the rules and regulations governing the on-going perpetual care of the cemetery as deemed necessary.*
