

Parent - School Contract

Calvary Christian School ~ 7-12th Grades

The purpose of Calvary Christian School is to assist the Christian home by teaching academics and the Truth of God's Word in an environment where young people can receive that Truth and learn how to apply it wisely to their lives. Every effort is therefore made to ensure that Calvary teachers, textbooks, extracurricular activities, rules and enforcement, enrollment policies, etc. are true to principles taught in God's Word (the Bible).

PARENT/STUDENT HANDBOOK: I and my student have fully read all sections of the Parent/Student Handbook that apply to Middle & High School. I pledge to fully cooperate with all standards of conduct, financial obligations, procedures, rules and discipline that are described in the Handbook or that might otherwise be implemented by the school. I will encourage my child(ren) to do the same.

DOCTRINE: I have read the full CCS Statement of Faith, I understand that my child(ren) will be taught Bible truth in harmony with that Statement, and **I will support and not in any way contradict** these teachings. I understand that doctrine, principles of life, standards of behavior, etc. will be taught from Scriptures as held by fundamental Baptist churches throughout history and as taught by Calvary Baptist Church. I understand that if any 7-12th grade student voices opinions contrary to Baptist doctrine or the church and school's Statement of Faith, whether on or off property, he/she may be asked to not return the following year or may be dismissed from school during the current year. I further understand that arguing against a teacher about doctrine or any area of the school Statement of Faith will be grounds for immediate dismissal.

STANDARDS of CONDUCT: Calvary Christian school seeks to provide an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. Calvary Standards of Conduct, as detailed in the Parent/Student Handbook, are based on biblical imperatives that are necessary to provide such an environment. Calvary's atmosphere of positive Christian standards of conduct, good scholastic planning, and intimate personal interest between faculty and student, provides for a wonderful opportunity for strong Christian character to develop.

In the spirit of working with the school to develop my child's Christian character, I pledge to fully support the school's Standards of Conduct and will hold my student responsible to respect and obey all aspects of those standards. **Selected examples follow:** (All standards are detailed in the Handbook.)

- Students are responsible to respect and obey authority without being critical, dress in compliance with the school dress code at all times required, etc.
- Students are responsible to NEVER bring a weapon to school, cheat, use profanity, use tobacco or e-cigarettes, gamble, dance, drink alcoholic beverages, use narcotics or other illegal substances, or engage in illegal activities.

- I understand that Calvary Baptist Church and Christian school will **not be liable** for accidents or illness which occurred to the student while he is in school unless it can be proved that the accident or illness was a direct result of our willful negligence. I further understand that CCS will exercise reasonable care and judgment in all matters related to the welfare and safety of the student. In cases of accident or illness to the child, CCS will promptly take such reasonable measures as are in the best interest of the child and will notify the parents as soon as possible.

I agree to hold the church/school and its agents harmless for any liability to my child or any parent or guardian thereof because of any claims on behalf of my child against the church/school or any agent thereof because of any injury to my child. Should legal action, for any reason, be taken against Calvary Baptist Church or Christian School or any employee or agent thereof on my child's behalf, and the church/school or its agents **not** be found at fault, I agree to pay any attorney fees, court fees, damages or other costs that the church/school or its agents should incur to defend itself against such action.

- These policies must be maintained to insure the financial stability of the school.
