

Mailout 13-02-2023

Dear Landholders,

What a busy month February is turning into with lots of learning happening!

1. CLMA Mapping Course & Meeting
2. EAD (Emergency Animal Disease) training
3. NT Farm Resilience Program
4. Connellan Airways Trust marks its 40th year

1) MAPPING COURSE

Just a reminder of our **Mapping Course to be held next week- Tues/Wed 21/22nd** at CDU in Sadadeen.

If you wish to register, please do so ASAP.

MEETING

The CLMA Committee is holding their first meeting for the year on Thursday 23rd from 9am. This will be mainly to view the 'treasures' that have been in storage, and to prioritise and plan what to do with this history. Please RSVP your attendance.

2) EMERGENCY ANIMAL DISEASE TRAINING

A reminder for those that haven't already registered for the Emergency Animal Disease (EAD) training. If you want to know what response methods will be in place if Foot and Mouth Disease (FMD) gets to Australia, and what you can do if this outbreak occurs, then this is your opportunity. Register before Feb 17th, and complete the online EAD Foundation Course before attending the webinar and workshop.

Let's be prepared!!

Thank you,

Casey Ellis

Livestock Biosecurity Officer (LBO)

3) NT FARM RESILIENCE PROGRAM

Registrations are closing soon for the NT Farm Business Resilience Program.

Please send through the flyer attached to any growers in your area that would be interested in the program, so they don't miss out!

Dates for the Program:

- ALICE SPRINGS: Block 1: 27-28 February 2023; Block 2: 27-28 March 2023
- TENNANT CREEK: Block 1: 2-3 March 2023; Block 2: 30-31 March 2023
- KATHERINE: Block 1: 7-8 March 2023; Block 2: 13-14 April 2023

The Program is fully funded by the State and Federal Governments and is valued at \$10,000 per participant. It has been successfully run in WA and there are like minded programs being run around the country. The program can suit family run businesses or the managers for the larger corporate stations. The positions are limited and we ask that expressions of interest are submitted ASAP.

The attached flyer has a link to register your interest.

This program is brought to you by The Northern Hub and Northern Territory Government, through funding from the Australian Government Future Drought Fun delivered by the Value Creators Team.

The FBRP is an eight-week program that includes a pre-program business health check, four days of in person workshops, professional mentoring, and an independent assessment of their farm business plans.

4) CONNELLAN AIRWAYS TRUST 40TH

Over the weekend, the Connellan Airways Trust turned 40 yrs old. To mark this occasion they are holding a ball in September. It is a long way off but please,

Save the Date: Outback Masquerade Ball - 23 September 2023, -media release attached
