Charity Golf Event

Raising funds for the O'Flynn Foundation, a registered charity supporting mental health, strokes, degenerative conditions for those who are facing huge challenges and unable to pay for private support in North and North East Lincolnshire

Thursday 17th July 2025

Coffee/Tea with Bacon Bun served from
11.30am

Shotgun Start 1PM

3 Course Evening Meal
&
Our usual fabulous raffle

Mission

O'FLYNN FOUNDATION'S MISSION

Our mission —To Feel, To Touch, To See—is not just a statement; it's a lived experience. We feel a deep, unwavering passion for the work we do. We see, first-hand, the life-changing impact it has within our community. And we touch the heart of it all—by listening to those who turn to us in times of need, and walking alongside them with compassion and care.

As a registered charity set up in May 2022 the Foundation seeks to make a vital and tangible difference to our community, focusing on North and North East Lincolnshire. The foundation's purpose is to advance education and promote physical and mental health for those who are not in a financial position to fund professional support for themselves due to low incomes.

Our support has never been more important in our community, with a lack of facilities through our NHS, not sufficient infrastructure to deal with the aftermath of Covid and the huge increase in mental health, particularly young men and children.

The Trustees of the foundation are Jayne Anne O'Flynn, Trustee and Founder, Michael O'Flynn, Marc Varlow, and Pete Musgrave. The O'Flynn Foundation works in collaboration with Fortis Therapy to deliver professional therapy and support for mental health to those who are unable to pay.

We also work with Lincs Inspire supporting those who have suffered a stroke, has a degenerative condition which affects their mental health, and need extra support coming off the NHS funded 12-week programme. The O'Flynn Foundation supports a further 12-week programme to enhance their wellbeing for a better and sustained recovery.

Since the setting up of the Foundation in May 2022 we have supported 49 people at Fortis Therapy and 105 at Lincs Inspire. We have also worked with Navigo supporting 100 people in December 2022. This year we are looking at supporting some 20 local people attending wellbeing classes at the Trin in Cleethorpes who are suffering from Parkinson's disease.

Your support for our work in our community is so appreciated and enables the Trustees to support many more people who otherwise would simply fall through the cracks.

The foundation is run by volunteers so there are no salaries, expenses or other related costs; all funds raised go to supporting our core values. **To donate to the O'Flynn Foundation please email: jayne@oflynnfoundation.org**

Running Order

11:30am - 12pm - Arrival
Refreshments & Bacon Bun

1:00pm - Shot Gun Start - Tee Off

1.30pm - Raffle Drawn
Prizes to collect after Golf

5:00pm - Cash Bar
(opportunity to change clothing if required)

Trustees

From the Trustees

A very special welcome and thank you to everyone from Jayne Anne, Michael, Marc and Pete for your continued support for our annual charity golf event supporting mental health, strokes and degenerative conditions for those in North and North East Lincolnshire.

This is the Ninth Charity Golf Day organised by Driver Hire supporting good causes in our community. The success of our annual golf day is very important in supporting our community work. In 2020 and 2021 Driver Hire raised £11.5k to support mental health because of the pandemic when there was a huge increase in the number of people who needed therapy and support but were unable to pay for it. Our funding helped over three hundred people.

We worked with Fortis Therapy during the pandemic to deliver professional therapy and support to those in our community whose mental health had been affected by covid and who were unable to pay for it, helping them to get their lives back on track. We are very aware that without the continued and generous support of our sponsors and all those who so generously give raffle prizes this would not have been possible.

Michael and I have a deep passion to support our community and have a firm commitment to making a difference to support those who need it most. The increase in mental health is a serious concern, and it can affect anyone. Irrespective of your socio-economic status. There is also a real concern for those in our community who suffer a stroke that there is not enough support available through the NHS. With your support we will be able to provide private physiotherapists for more stroke patients.

We also thank Driver Hire Grimsby & Scunthorpe who have supported the foundation from the very beginning, helping with the setting up costs so that all monies raised could be directed to support our core values.

We hope that you have enjoyed today and had a wonderful game. We wish everyone a most pleasant evening and hope you have won one of our fabulous Raffle Prizes.

Huge thanks from the Trustees

Jayne Anne, Michael, Marc and Pete and our Ambassador Mike Burton

Thank You!

A heartfelt thank you to everyone who has once again sponsored golf holes, donated fantastic raffle prizes, or entered teams into our Charity Golf Day. Your generosity continues to fuel our mission and strengthen our community impact. You are all gratefully acknowledged on the back page of this programme.

This continued support has made it possible for the O'Flynn Foundation to offer support to those who otherwise would not be supported. We are hugely proud of what we do, and do not take your support for granted, it is so appreciated and your reward is changing many lives for the better in our community.

"We hope that with your continued support, we can carry on this vital work—reaching those who need us most. The true reward comes not just in what we give, but in what we witness: lives rekindled, hope restored, self-worth restored, and dignity returned to those who had all but lost it. Your generosity helps us light the way forward for those navigating their darkest days.

Without all your continuous and generous support, and the continued support of Driver Hire Grimsby & Scunthorpe we would not be able to support great causes in our community over the past nine years.

My passion is deeply rooted in personal experience—witnessing the profound impact that mental health struggles had on members of my own family. It was a time when silence surrounded the issue, when support systems were scarce and understanding even scarcer. Seeing loved ones suffer in isolation, without the help they so desperately needed, left an indelible mark on me. It's this lived reality that fuels my commitment to ensuring no one else faces such battles alone."

With huge appreciation to you all
