

Is your dancer interested in joining a prestigious, award-winning dance company? AMDA is always looking for more dedicated and passionate dancers to join our competitive company, MAGNETIC MOTION! Experience the comradery, artistry, and lifelong memories that being an AMDA company dancer has to offer! Read more below!

For over a decade, AMDA has proudly offered dancers the opportunity to be a part of award-winning competitive dance companies. Our companies have included all skill levels and have ranged in ages 5-18 years. We are thrilled that our companies have continued to grow over the years, multiplying in size, interest, and by popular demand at local events. We are especially excited to approach our new season with a renewed and refreshed artistic vision for AMDA's competitive company. A vision that is rooted in **UNITY, COMRADERY, and MAGNETIC ARTISTRY**.

As part of MAGNETIC MOTION, dancers train extensively in numerous technique classes, participate in workshops & conventions, perform at several community events, & compete in elite dance competitions throughout the state and country. Through the company experience, dancers learn a variety of dance techniques & choreography at a more intense level. They gain invaluable knowledge about the performance process, professionalism, & dance criticism.

Company dancers have the opportunity to learn numerous dances for the season, with styles ranging from Ballet, Jazz, Musical Theatre, Hip Hop, Lyrical, Tap, Contemporary, Pointe, Ballroom, etc. Additionally, we also participate in 2-3 dance conventions, 6-7 local performances, and 4-6 competitions per year. Dancers interested in being part of MAGNETIC MOTION the COMPANY, are required to audition and are then selected to perform in specific dances, based on choreographer's choice, age, skill level, etc.
