1. Scott catalog numbers used. Values by Scott. The letter E or Est. noted before the value is our estimate of current market value.
2. Lots are sold at an advance over the second highest bid. In case of tie bids, the first bid received shall prevail.
3. All Nineteenth Century should not be expected to have original gum unless stated. All stamps are considered hinged unless otherwise stated.
4. If you bid on a lot, and are the successful high bidder, YOU MUST HONOR YOUR BID. If you can't honor your bids please DO NOT BID AT ALL! A bid on your part means agreement to all terms and conditions of our sale. This also includes any error made on your part. We will make IMMEDIATE REFUNDS on any lot misdescribed. Lots containing five or more stamps, lots from buyers who have had the opportunity to examine them prior to the sale and lots described as having faults, may not be returned because of any faults whatsoever.
