A NOTE FROM *the Director*

Welcome to our first edition of **Inside the Knights!** As I begin my first year with the Knights, I'm excited for the opportunity to help bring all of our programs together and build on the great things already happening throughout the organization.
What I've enjoyed most so far is seeing the support and commitment from our coaches, families, athletes, and community. I'm looking forward to a great year and continuing to grow the Knights together—both on and off the field and court.

BEYOND THE SIDELINES

***TOPIC*: The Ride Home**

***Parent Tip*:** After a game, your athlete usually doesn't need a breakdown of every play. Sometimes the best thing you can say is simply, **"I loved watching you play."** Give them time to process the game, celebrate the good, and let their coach handle the coaching.

COACH'S CORNER

THIS MONTH'S FOCUS:

Culture: Set the Standard

Culture isn't something we talk about once—it's something we build every day. As coaches, the way we communicate, prepare, respond to adversity, and treat others sets the example for our athletes. What we consistently model becomes what our players learn to expect.
