Lots of Socks

**World Down Syndrome Day on
21st March**

Every year our school celebrates World Down Syndrome Day (also known as Odd Socks Day). This is to raise awareness of Down Syndrome and include and celebrate everyones differences.

 **Did you know?** 

World Down Syndrome Day is celebrated on the 21st of March because:

People with Down syndrome have an extra copy of one of their chromosomes. It's called chromosome number 21.

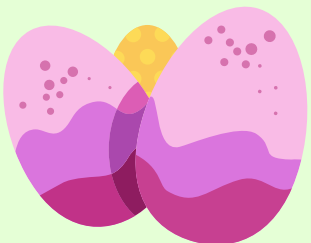

Most people have two copies of this chromosome and people with Down syndrome have three!

That's why it's on the 21st day of the 3rd month!
