

Colm's 6th Class

SUMMER NEWSLETTER

What a year!

What a year we had in 6th class! The children made a little bit of GETNS history by being the first double stream class to graduate from the school and also the last class to start in the old building on Church Avenue.

Our School Tour at Emerald Park

We enjoyed a brilliant school tour at Emerald Park with many of the class saying it was their highlight of the year!

'My favourite memory was when our class went on our school tour to Emerald Park. I enjoyed my day going around on rides and had a wonderful time'.
Teyana

'One of my favourite memories was in Emerald Park. Especially when we went on the new rides!'.

We like to move it, move it!

We had a super active year. We kicked things off with the Marathon Kids challenge running a distance of 42 kilometres over 8 weeks. We even got to go to Morton Stadium in Santry to complete the 'Final Mile'

Camogie finals at Croke Park

An extra special mention goes out to the girls from the class who made it all the way to the Camogie final in Croke Park this year.

They did an unbelievable job representing the school and we are very proud of them!

TENNIS IRELAND COACHING

We enjoyed 6 weeks of tennis lessons from Tennis Ireland coaches, James and Maria. It was all topped off on week 6 with a visit to the National Tennis Centre where we got to use our skills on the full-size courts there.

My favourite memory was getting to play in the school 5-a-side tournament and not losing a single game.

**It's not often
an Air Corps
pilot visits your
classroom!**

We had the pleasure of welcoming AEN Tracey's son Cillian to our classroom. He recently graduated as a pilot with the Irish Air Corps, one of only six in the country to do so last year! He told us all about his training and what it's like to fly a fighter jet. He even brought in some cool gear and let the class try it on.

**It's safe to
say the
teachers
enjoyed
Emerald Park
just as much
as the kids!**
